AIDE-MEMOIRE

TO: Lt Comdr APOSTOLO

Reference Italian awards now outstanding in MTOUSA.

Captain Graziani of AC Awards and Decorations Section called Lt Dickinson at Freedom 401, G-1 Section, in reference to the 113 awards now outstanding and pending acceptance approval by the Theater Commander. The Captain was told that no action is being taken on the part of G-1, MTOUSA, to have acceptance granted pending receipt of a reply to a letter signed by Colonel Howder written to General Infante on 29 October in which it was requested that brief reasons for granting the awards be given in each individual case. It is understood that General Jaynes and a Captain Brun talked personally with General Infante and Colonel Ruggieri Laderchi in regard to supplying the information required by the Theatre Commander before granting acceptance approval. However, as the situation now stands, it is apparent that G-1, MTOUSA, is still awaiting some type of formal communication in reply to Colonel Howder's letter of the 29th before taking any further action. The possibility was recognized by Lt. Dickinson that the information gained as a result of General Jaynes' interview with General Infante had not been passed on to G-1, MTOUSA (Freedom 1).
