(Attention of Capt. HAYES).

The Undersecretary of State for occupied territories has informed us that F.S.S. has put the above Francesco Civello; manager of the Florence broadcasting station under detention, and apparently has sent him to the Padula concentration Camp.

It is not known what the charges are, but the Undersecretary for occupied territories vouches for Mr. Civello and gives evidence of his valuable and efficient cooperation effort during the time of German occupation in Florence, and expecially during the days just previous the liberation of that city.

Mr. FANO, Undersecretary of State for Communications has also strogly recommended the case.

As the matter is now a concern of the Public Safety Sub-Commission we wish you would kindly give your attention to the case of this Patrioti
