To : A.C. Public Safety Sub-Commission.

The Communal subsistence Body of Augusta (Siracusa) has not paid to the parents of the Corporal PINTO Giuseppe the military subsidy, because the former even though having no properties, do not appear in bad economical conditions.
The Head of the family, infact, is carrying out a continous activity as manual labourer, receiving a daily pay of 150 Lire and the mother of the soldier manages a bakehouse for account of the owner receiving 50 Lire daily and a free ration of bread.
Therefore their monthly earnings are 6000 Lire.
Against the decision of the E.C.A. of Augusta, the a/m have appealed to the Provincial Subsistence Commission of Siracusa, which has rejected the appeal because forwarded after the prescribed limits.
In spite of this the CC.RR. Force of Siracusa has her taken up the matter in favour of soldier under discussion with the Provincial Directorate of the Subsistence Office of Siracusa, which has suggested that the persons in question file to the E.C.A. of Augusta a new application so that their case can be agexamined.

Novoli 3-1-1945

Egregio Signore

Anzitutto vi ringrazio del pensiero che avete avuto per informarvi delle nostre notizie riguardanti il nostro stato di salute e per farmi pervenire mie mamma lontano dalla famiglia. Riguardo il bambino niente che già è stato precedentemente colpito da una grave malattia della quale si legge sulle pagine del bambino. Da alla presentazione riguardo lo stato del bambino (ricordo in principio di mia [illegible] e mio amore privato la fine) il mio cuore si è indebolito tanto che mi ha lasciato una malattia Per tali condizioni, unge la mia presenza Sentore se ho proprio mandato disposto a farle un telegramma. Credo che la mia [illegible] sarà accontentata dai suoi superiori

Declassified E.O. 12356 Section 3.3/NND No. 785016

Sinceramente vi ringrazio

Con affetto

Vostra

- FIORLISO Salvatore, di n.n., nato a Padru (Sassari) il 23 aprile 1893, ivi residente, calzolaio, padre del prigioniero di guerra caporal maggiore Fioraliso Felice (non Fedele), gode buona salute.

Versa, però, in misere condizioni economiche. E' padre di 7 figli viventi, mutilato della guerra mondiale 1915-1918 e percepisce soltanto 295 lire mensili di pensione, mentre quello che guadagna facendo il calzolaio, non è sufficiente al mantenimento della numerosa prole.

Anch'egli è privo di notizie del figlio e gradirebbe conoscere come dovrebbe regolarsi per scrivergli.

Dear Colonel,

You undoubtedly recall Nicholas Campagna. He has asked me to write to you in reference to his cousin, Luigi Campagna, sixty years of age, who is confined at Turi di Bari, Convalescinziario dei Condonnati, for the past twenty years. This man is married and has five children and is a nativeof Frizzi. I understand he was sent away for twenty years by the Fascist Party and that he has made an application for pardon.

If there is anything that can be done in this matter in behalf of Nick Campagna, I shall deeply appreciate it.

With kindest personal regards,

Sincerely yours,

/s/ Paul P. Rao

Ref. P/3/19

To. P.P.S.O. A.C. Chieti.
From. P.O. A.C. Chieti.

Reference signal received from Public Safety, A.C. H.Q. dated 18 December, 44, asking for the whereabouts of Mrs Zioaine TANA, Strada Adriatica, Vasto, on 22nd instant I visited Vasto and made enquiries with the following result.

No person of the name of Zioaine TANA was found or known no enquiries were made for persons with somewhat similar Christian names.

At No 16A Via Adriatica liven a permanent resident:-

TANA Antonia, born 22/5/77 at Vasto (fu Saverio) a spinster, lived in this house for over 50 years.

TANA Giovino di Ferdinando, born 25/5/1910 at Vasto, living at above address; spinster, permanent address Corso Littorio 7A, Vasto. This person was the one interviewed when the original enquiry was made.

At No. 22 live a family of refugees from Rome.

4610

TANA Giuseppe fu Francescopaolo, age 54 years, born in Vasto, home address Viale Principe Di Piemonte, 101, a carpenter, went to Rome on 6/12/44, and not yet returned.

I interviewed the son who was the only member of the family there and he gave the following information:- (relationships are given relative to TANA Guiseppe)

Wife, CRISCI Maria Nicola, at Vasto for 18 years until 29/9/44, now at above address in Rome.

Sister. TANA Virginia fu Francescopaolo, age about 40 years, married to FANTALEONE Umberto, at Piazza Leonardo di Vinci 2, Rome, in Vasto a little over a month, returned to Rome Sept;43.

Daughters. Madalena, 26 years, Ernesta, 22 years, Giovanna 17 years, all single and all in Rome.

There are a number of TANA's in Vasto but the Record Office could find no trace of one with the name Zioaina. It is said not to be an Italian name but the surname is. I therefore suggest that the Christian name be verified or further details be supplied on which other enquiries, if necessary, can be made.

Dear Sirs.

With the help of the Red Cross here in New Guinea I was informed to receive some assistance from you at Rome. As favor I wish if possible is to inform my family here in Italy that I'm fine and getting along good here in New Guinea also my brother Oswald is O.K. and serving in the U. S. Navy of the Armed Guard Center. also if possible he may be able to look here in Italy and be able to see the folks with a little possible assistance. being that I'm not sure of this thing going through I'm trying to send a little information to them and also receive an answer. its just one of those things that happens during war times. that we haven't heard from each other since the break of the war in Italy.

Declassified E.O. 12356 Section 3.3/NND No. 785016

as usually I do believe that they are worried and this being on time that I may be able to make contact with them. I hope. also if it may help All send the names of dad, mother and sis, Its dad named Cosmo, mother Maddelene and sis Dorca. Its address may be correct but I'm not so sure for its been along time and also they might have moved away from the Adriatic Coast.

Thank You

APPLICATION BY 13563 CAPL. PROIETTI A.

I, the undersigned 13563, Capl. PROIETTI A. submit this application to inform the British authorities of my position and in particular that of my family whose sufferings are beyond endurance. On the day of the Italian Armistice 8.10.43, I was at the island of Crete and adhering to Marshal Badoglio's orders I joined the Greek Partisians and fought against the Germans and Fascists to the 21.4.44.By order of the British authorities, I was sent to Cairo where all my activities were documented, I also asked if I could continue to fight against the Germans, which was my wish, but I was sent to 309 P.W. Camp instead. Lately I have received a letter from my wife, after a year's silence telling me that the Germans had been informed of my activities in Greece and that they had burned my house and murdered my sister in law of seventeen years of age. All doors were then closed to my wife and baby. Since then to the present day, my family has received no assistance of any kind. Could assistance of some kind be given to my wife and baby who have nobody to help them.

APPLICATION BY 13563 CAPL. PROIETTI A.

I, the undersigned 13563, Capl. PROIETTI A. submit this application to inform the British authorities of my position and in particular that of my family whose sufferings are beyond endurance. On the day of the Italian Armistice 8.10.43, I was at the island of Crete and adhering to Marshal Badoglio's orders I joined the Greek Partisians and fought against the Germans and Fascists to the 21.4.44.By order of the British authorities, I was sent to Cairo where all my activities were documented, I also asked if I could continue to fight against the Germans, which was my wish, but I was sent to 709 P.W. Camp instead. Lately I have received a letter from my wife, after a year's silence telling me that the Germans had been informed of my activities in Greece and that they had burned my house and murdered my sister in law of seventeen years of age. All doors were then closed to my wife and baby. Since then to the present day, my family has received no assistance of any kind. Could assistance of some kind be given to my wife and baby who have nobody to help them.

Family address:

Mrs PROIETTI ROSINA,

Via Porta Maggiore,

R o m e.

(sgd) PROIETTI A.
