1. Caribinieri.

Am informed by Public Safety that a total of approx 2,000 Caribinieri will have to be moved from ROME(1,000) and NAPLES(1,000) to FLORENCE Area to replace Caribinieri moving into N.W. Italy with the Army. Of these 2,000,- 500 have already moved by Rail and the balance will move within the next 14 days, by which time billeting arrangements will have been made.

The movement forward into the N.W. is purely an Army Responsibility. A.C. have NOT to provide Transport. Above information supplied by (Lt Col.WILSON)- Public Safety 7 April '45.

2. A.R.C. Clothing for distressed Areas in LIGURIA, PIEMONTE and LOMBARDIA.

The quantities of Clothing assembled at LEGHORN for distribution in above Regions is as follows:-

LIGURIA	60	Tons
PIEMONTE	100	"
LOMBARDIA	125	"
TOTAL:	285	"

This information was supplied by Mr JEFFERSON of the American Red Cross 7 April '45 who states that each Region has been informed. The movement forward will be in accordance with requirements and orders of each Regional Commissioner who presumably has already made his bid for transport.

1. Priorities suggested for move of food stock piles.

As Regional views of initial requirements differed very widely, attached Appendix "A" shows the three N.W. Regions suggestions for deliveries from food stock piles.

2. Allocation of daily arrival of 1,000 tons per day for N.W. Italy.

It was agreed that the following percentages be allocated to Regions:- Liguria 23%; Piemonte 30%; Lombardia 47%.

3. General.

Under present conditions and providing that the move in takes place within the next two months, it is recommended that the above priorities and allocation be accepted and confirmed.

M. HARRIS,
Lt. Colonel.
