THE FOLLOWING POINTS EMERGE FROM THE DISCUSSION FOLLOWING QUESTIONS OF JOURNALISTS AT TODAY'S NEWS SESSIONS: IT IS FREEDOM FROM FATIMA SIGNED TAYLOR PD PARA THE ORIGINAL INTENTION OF THE KING AND MARSHAL HAD BEEN TO MAKE THE DECLARATION OF WAR WHEN THEY HAD RETURNED TO ROME WHERE THEY COULD FORM A GOVERNMENT REPRESENTING ALL PARTIES IN THE COUNTRY PD HOWEVER FIGHTING SOON BROKE OUT BETWEEN ITALIANS AND GERMANS AND IT WAS IMPOSSIBLE TO WAIT FOR THE RETURN TO ROME PD IT WAS THEREFORE DECIDED TO MAKE THE FINAL DECLARATION OF WAR FORTHWITH PD PARA THE PRACTICAL EFFECT OF THIS PROCLAMATION IS THAT THE ITALIAN FORCES ON LAND, SEA AND IN THE AIR WILL BE WHOLLY AT THE DISPOSAL OF THE ALLIED WAR EFFORT PD IN FACT CMA IN CONCORDANCE THERE HAS ALREADY BEEN FIGHTING AGAINST THE GERMANS AND THEY ARE STILL FIGHTING IN THE BALCANES AND IN NORTHERN ITALY PD THE NUMBER OF ITALIAN TROOPS ALREADY AVAILABLE TO THE ALLIED EFFORT IS QUITE SUBSTANTIAL WHEN A COUNT IS TAKEN OF THE DIVISIONS IN SARDINIA PD PARA THE CABINET WILL BE COMPLETED AS SOON AS POSSIBLE BUT UNTIL ARRANGEMENTS ARE COMPLETED IT IS OBVIOUSLY NOT POSSIBLE TO DISCUSS PERSONALITIES PD MEANTIME CMA ACTIONS ARE MORE IMPORTANT THAN WORDS AND THE ITALIAN PEOPLE ARE SHOWING BY ACTIONS THAT THEY APPROVE WHOLE HEARTEDLY OF THE POLICY OF THE GOVERNMENT PD ALL ITALIAN AMBASSADORS AND MINISTERS HAVE PLACED THEMSELVES UNDER THE INSTRUCTIONS OF THE ITALIAN GOVERNMENT EXCEPT ONE WHO HAS SINCE BEEN APPOINTED AMBASSADOR TO BERLIN BY THE FASCIST REPUBLICAN REGIME PD PARA THE MARSHAL HAS GIVEN A REPORT OF

~~SECRET~~

GENERAL DE GAULLE'S SPEECH AT AJACCIO AND HE STATES THAT ITALY WISHES TO LIVE IN
PEACE AND ON GOOD TERMS WITH FRANCE HE PARA THE MARSHAL SAID THERE IS NO INDICATION
AS YET OF THE REACTION OF GERMANY ON JAPAN TO AS FAR AS THE GERMANS ARE CONCERNED

In answer to questions from journalists. The following points emerged from the discussion following questions of journalists at today's news sessions.

1. The original intention of the King and Marshal had been to make the declaration of war when they had returned to Rome ^{whether they} and could form a broad-based government representing all parties in the country. ^{however} Fighting ~~was actually~~ ^{soon broke out} taking place between Italians and Germans and it was ~~no longer~~ ^{im} possible to wait ~~until due constitutional forms could be observed.~~ ^{for the return to Rome.} It ~~had therefore been~~ ^{was therefore} decided to make the final declaration of war forthwith.

2. The practical effect of this proclamation ~~was~~ ^{is} that the Italian forces on land, on the sea and in the air ~~would~~ ^{will} be entirely at the disposal of the Allied war effort. In fact, in Corsica there ~~had~~ ^{has} already been fighting against the Germans and they ~~were~~ ^{are} still fighting in the Balkans and in Northern Italy. The number of troops already available ^{Italian} ~~was~~ ^{to the Allied effort} quite substantial when ~~account~~ ^{is} taken of the divisions in Sardinia.

3. The ~~government~~ ^{cabinet will} ~~will be appointed~~ ^{completed} as soon as possible but until arrangements ~~have been~~ ^{are} completed it ~~is~~ ^{is} obvious ^{possible} not to discuss individual personalities. Meantime, actions ^{are} ~~were~~ more important than words and what the Italian people ~~were doing~~ ^{are showing by actions} showed that they approved whole-heartedly ^{of} the policy of the government. All Italian ambassadors and ministers ~~had~~ ^{have} placed themselves under the instructions of the Italian government except one who ~~has since~~ ^{has since} ~~not been appointed by the Fascist Republican Government.~~ ^{Ambassador to Berlin} ~~regime.~~

4. As ~~for the United Nations,~~ the armistice ~~had been signed also in~~ their interest. The Marshal ~~has~~ ^{has} seen a report of General De Gaulle's speech at Ajaccio and he ~~desired to say~~ ^{states} that Italy of course wishes to live in peace and on good terms with France.

5. The Marshal said there ^{is} ~~was~~ no indication ^{as yet} of what ~~Germany or Japan's~~ ^{the} reaction ^{of Germany or Japan} would be. As far as the Germans ^{are} ~~were~~ concerned they ^{can} could not have done worse than they ^{have} ~~had~~ already done.

ITALIANS:

In a statement of the 8th September, the government of which I am the head announced ^{that} ~~the granting~~ by the Allied Commander-in-Chief ^{had granted} of the armistice ~~for~~ which we had asked and ^{that} ~~ordered~~ Italian troops ^{were ordered} to remain at their posts with ^{armed and} ~~arms~~ in their hands ready to repel any attack from whatever quarter it might come.

With a simultaneous ^{ity} ~~success~~ of action which showed clearly that orders had been issued ^{in advance} ~~some time before~~, German troops either disarmed our units or more often actually attacked them.

But German ^{arrogance} ~~arrogance~~ and savagery did not end here.

We ~~had~~ ^{known} already experienced ^{their habitual conduct by outrage} ~~this kind of behavior~~ to the outrages, thefts and ^{violence} ~~ravages~~ of every kind committed in Catania while they were our Allies.

^{later} ~~Attacks of even greater barbarity were perpetrated~~
~~Even worse savagery against helpless civilian populations occurred later~~
in Calabria, in Apulia and in the Salerno region.

But where the ferocity of the enemy surpassed ^{all bounds} ~~the limits~~ of human imagination was in Naples.

The heroic population of that city, ^{after} ~~which~~ endured ^{ing} for weeks ^{every kind} of suffering, cooperated courageously with British and American troops in putting

routing
~~to fight~~ the hated German.

ITALIANS:

There will be no peace in Italy as long as a single German treads our soil.

We must march forward ~~to~~ together with our friends of the United States of America, of ~~Great~~ Britain, ^{and} Russia and of the other United Nations.

In the Balkans, in Jugoslavia, in Albania, in Greece and elsewhere, ^{the} Italian troops, who have been witnesses of ^{German} acts of aggression and of cruelty, must fight to the end against ^{the common enemy} ~~the German~~. The government of which I am the head, will soon be ^{completed by bringing in} ~~made up~~ by inviting representatives of every political party to take part in it. Thus a truly democratic government of the country will be formed. ^{and} ~~that~~ I reaffirm the ~~promise~~ ^{promise} that as has already been announced, once the war is over the Italian people will be free to ^{hold} ~~have~~ elections and choose the government which ^{they} ~~it~~ desire.

ITALIANS:

Friday the 13th of October

I ~~have to~~ inform you that his Majesty the King has charged me to announce the declaration of war on Germany ~~today 13 October~~.

The government of which I am the head was constitutionally nominated by His Majesty the King.

My government has a single objective, to free the country from German oppression. It is obvious that this can only be done by a united military effort in which we shall work in the closest possible manner with ~~the~~ ^{the} ~~the~~ ^{the} British and American Forces.

^{For the full accomplishment of} ~~To attain~~ this objective, all those who love Italy above all else must join together according to the best of their ability in this work of redemption. ^{My} ~~And the~~ Government which needs this help, undertakes to complete its ranks as soon as possible by calling upon the ^{outstanding} ~~best known~~ political ^{personalities} ~~men~~ of the various parties so that ^{it} ~~the government~~ shall have a ~~completely~~ and thoroughly democratic character.

As soon as the war is ended and victory, ^{war as it most surely will be,} ~~which is certain,~~ ^{the} present government will consider its mission accomplished and will be ^{thoughtfully} ~~fully~~ ^{content} ~~satisfied~~ with having ^{freed} ~~led~~ the country ^{from German occupation.} ~~in throwing out the Germans.~~

Accordingly, the ^{to give formal assurance} ~~government~~ undertakes ~~formally~~ here and now that at the end of the war the Italian people will be perfectly free to choose the government which it desires for the ^{not less} ~~important~~ task of peace and reconstruction.

5851

This undertaking has already been given in the decree dissolving the chamber of the Fasci and Corporations, in which it was stated that four months after the end of hostilities (elections would be held.)

What
~~That~~ which was said then is reaffirmed now. The present government *has a clearly defined task of leading the country until peace has been won. With that,*
~~its~~ mandate will ~~not~~ *cease*.

THE CHIEF OF THE GOVERNMENT

11 October 1943

TO THE ITALIAN OFFICERS, NON COMMISSIONED OFFICERS AND SOLDIERS
PRISONERS OF THE ANGLO-AMERICANS.

In the new political and military situation created by the hostile attitude and acts of the Germans towards Italy, it is our intention, as far as the Allies are concerned, to collaborate actively by every possible means, cooperating to the common aim, which is to crush the last remnants of German military power still oppressing an important part of our country.

It is therefore your duty to help the Allies by every possible means, in all non fighting services closely connected with the war effort, by forming special service and work parties commanded by the officers who will be designated.

In this way, you will from now on collaborate effectually to the fight of redemption from the secular enemy which is being fought in Italy by your comrades who are still under arms, and by the very populations, at the side of the Anglo-American Armies, for the liberation of the country.

Personal for Gen Eisenhower.

D R A F T

I called on Badoglio
I went with Caccia to

I saw Badoglio again this morning with Caccia about the declaration of war. We went all out in pressing for action, emphasizing that failure to make a forthright decision was prejudicing the position of Italy at a most critical time. When told that Acquerone was not back from Naples with his ministerial recruits, I urged getting on with the preparations including the texts of the declaration and of the King's speech without waiting for the completion of the reorganization of the cabinet which could be worked out concurrently. In the end Badoglio said that he would press the King again tonight, ~~and~~ ^{and that} that he hoped to clinch the matter tomorrow or the next day. If he failed to get the declaration during the current week ^{he} ~~he~~ ^{hesitated that} he would cease to be Head of the Government. This latter possibility should be kept in mind as we apply the screws to the Italians. It would be disastrous at the present time to maneuver the Marshal into an untenable position ^{from} ~~for~~ which the only recourse is resignation. I hope this last prod will carry the day.

Most URGENT

Personal for General Eisenhower

~~In company~~

Accompanied by Reber and Caccia I presented
to Badoglio this morning the matters contained
in your Numbers 2580 and 3372. The reception
was most favorable. He readily agreed that GRANDI
was unacceptable and stated that he was
ministerial
preparing a slate of known Anti-Fascists which
he would present to the Mission in due course.
After a discussion of the advantages of an
immediate declaration of war ^{the Marshal} ~~he~~ declared
himself wholly in agreement and promised ⁵⁷⁵⁸
to do his utmost ^{at once} to persuade the King.

~~I consider the chance~~ ^{latter}
Thus, the acquiescence of the ~~King~~ ^{to an}
~~immediate declaration of war~~ may come
in the next few hours. ~~The~~ ^{the} ~~of the~~ ^{of the announcement} which
case the question of timing [^] assumes great
importance. General Alexander expressed the
^{yesterday} view [^] that it should ~~not~~ ^{closely} precede ~~the~~ his offensive
to ~~be launched~~ ^{begin} ~~within~~ ⁱⁿ about a fortnight. Reber
and Caccia consider that it should come ^{as soon as possible and in any case} before
the meeting of the Mediterranean Committee
^{about} October 12. I ~~look~~ ^{look} to you for instructions

~~on this point~~ ^{once agreed upon,}
My personal thought is that, ~~once it has been agreed to,~~ the declaration
~~once agreed to, it~~ should be pushed thru without a pause ^{to} which
~~might allow~~ ^{allow} the Italians to ~~recede~~ reconsider.
I look to you for instructions on this
point, ~~do~~ and expect AFHQ to organize
the propaganda and publicity incident to
the announcement. Will anything special be
desired from Badoglio or the King or any.

Reference our #245 repeated 15th Army Group. General Alexander is opposed to visits of the King of Italy and of the immediate members of the Royal Family outside the provinces which have been returned to Italian jurisdiction. He considers that ^{as} the position of the King outside these provinces is ambiguous and ~~that~~ it is damaging to the King's ^{his} prestige to appear in parts of Italy where his prerogative is not operating ^{is}. Lord Rennell concurs in this view which is at variance ^{are} with the opinion ^{that} of this Mission ^{as reported in the radio}. NOTA N. 51

11, 3 Ottobre 1943 -

AL CAPO DELLA MISSIONE MILITARE ANGIO-AMERICANA

Nel convegno di Malta il Generale Eisenhower ha precisato che il suo Stato Maggiore farà tutto il possibile per aiutare la nostra propaganda. Attualmente questa è quasi inesistente poiché la stazione radio di Bari è poco potente, la carta difetta, via per i giornali che sono ormai ridotti a formato piccolissimo, sia per i manifestini da lanciarsi con gli aerei. Inoltre, allorché sarà liberata Roma, troveremo distrutti tutti gli impianti radio emittenti.

Pertanto si propone :

- 1) - Che la radio potente americana esistente già imballata nei porti del Nord Africa, venga al più presto installata in una località della Puglia.
- 2) - Che sia portata fin d'ora in Italia una stazione molto potente da installare a Roma appena occupata la città.
- 3) - Che sia inviata una buona scorta di carta per aumentare il formato della "Gazzetta del Mezzogiorno", per ridare vita ai giornali di Napoli al più presto possibile e per compilare volentieri.
- 4) - Che sia autorizzato il Comando italiano ad inviare in Calabria ed in Campania e successivamente nelle altre terre liberate un certo numero di copie della suddetta Gazzetta e dei giornali di Napoli da distribuire a civili e alle nostre truppe.

Per il governo di Italia il Comandante Missionario ha presentato
una proposta di lavoro che tutti si sono accorti per essere la
più opportuna. Attualmente sono in corso le trattative per
la costruzione di una stazione radio di grande potenza.

La stazione radio di Bari è poco potente. La nuova stazione
di Bari sarà di grande potenza. La nuova stazione di Bari

To the Head of the Anglo American Military Mission

At the MALTA Conference Gen EISENHOWER stated that his General Staff would do everything to help our propaganda. In fact this is almost non-existent since BAAI radio station is too weak and paper is insufficient either for newspapers which are now reduced to the smallest proportions or for ^{leaflets} ~~papers~~ to be ~~sent~~ ^{dropped} from the air. Moreover when Rome is freed we shall find all the radio ~~installations~~ ^{installations} destroyed.

It is therefore proposed

(1) That the powerful American radio station, ^{already} ~~sent~~ ^{for shipment} ~~packed~~ ⁱⁿ the ports of North Africa, should be as soon as possible be set up somewhere in AFRICA.

(2) That a very powerful radio station should be sent forthwith to Italy to be set up in Rome as soon as the city is captured.

(3) That a good stock of paper be sent to increase the format of the "Gazzetta del Mezzogiorno" to revive the NAPLES newspapers as soon as possible and to compile leaflets ^{send to}

(4) That the Italian command be authorized to CALABRIA and SICILY and thereafter to other liberated

TO: The Head of the Anglo-American Military Mission.

At the MALTA Conference General EISENHOWER stated that his General Staff would do everything to help our propaganda. In fact this is almost non-existent since RARI radio station is too weak and paper is insufficient either for newspapers which are now reduced to the smallest proportions or for leaflets to be dropped from the air. Moreover when ROME is freed we shall find all the radio installations destroyed.

It is therefore proposed:

- (1) That the powerful American radio station, already packed for shipment in the ports of North Africa, should as soon as possible be set up somewhere in APULIA.
- (2) That a very powerful radio station should be sent forthwith to Italy to be set up in ROME as soon as the city is captured.
- (3) That a good stock of paper be sent to increase the format of the "Gazzetta del Mezzogiorno", to revive the NAPLES newspapers as soon as possible and to compile leaflets.

Subject: Employment of Prisoners of War

On the basis of agreements reached at the recent Malta Conference, measures are being taken for the raising of some picked divisions to operate as soon as possible with Anglo-American troops, utilizing for this purpose units available in territories of the Mainland and Sardinia under our control.

In order to increase in the future possibilities of cooperation in the common struggle against the Germans, it would, however, be advisable to make arrangements for the creation of some new formations, employing prisoners of war, preferably volunteers, from Libya and Tunisia (officers and men), particularly if natives of areas of Central and Southern Italy which are still occupied by the Germans.

These prisoners are very likely to have Anti-Fascist and Anti-German sentiments which will have been fed by the behavior of the Germans in Africa and Sicily and by propaganda to be carried out about the present German acts of violence in Italy.

Moreover, these new formations are indispensable for the preservation of public order in territory gradually freed and especially at Rome, in view of the fact that the Italian command has not troops available for this purpose.

Will you, please, inform General Eisenhower of the above as soon as the proposal to employ prisoners of war is agreed in principle, detailed proposals will be forwarded.

ETTO: Utilizzazione prigionieri.

In base a quanto concordato nella recente riunione di Malta, si sta provvedendo alla preparazione di alcune divisioni scelte che dovrebbero operare al più presto accanto alle truppe anglo-americane, utilizzando a tale scopo le unità disponibili nel territorio controllato della Penisola e della Sardegna.

Per aumentare in futuro le possibilità di cooperazione nella comune lotta contro i tedeschi, sarebbe però opportuno provvedere alla costituzione di alcune nuove Grandi Unità, utilizzando i prigionieri di guerra, preferibilmente volontari, della Libia e della Tunisia (ufficiali e truppa), specie se appartenenti alle re gioni dell'Italia Centrale e Settentrionale ancora occupate dai tedeschi.

Questi prigionieri hanno molto probabilmente sentimenti antifascisti ed antitedeschi, alimentati dal comportamento dei tedeschi in Africa e in Sicilia e dalla propaganda da farsi circa le attuali prepotenze tedesche in Patria.

Si aggiunge che queste nuove formazioni sono indispensabili per la tutela dell'ordine pubblico nel territorio a mano a mano

Si prega segnalare quanto sopra al Gen. EISENHOWER: qualora la proposta di utilizzazione dei prigionieri sia condivisa in linea di massima, saranno inviate proposte di dettaglio.

For Deputy Air C. in C. from Foster (.)

Your 1509 of 30/9 (.)

Project was discussed with V.C.A.S. who preferred to postpone detailed examination of requirements for shuttle bomber operations until decisive progress had been made in Italian campaign (.)

C. in C. Bomber Command is personally opposed to proposal on grounds that it would impair his tactics of maximum concentration of effort (.) His staff however as well as actual bomber units recognise its value in dissipation of enemy fighter defences and in alternative airfields for bad weather conditions (.)

Requirements on Italian mainland were discussed in general terms but no detailed calculations were worked out (.) Am visiting Tunis 4/10 when I can give fuller information and some figures (.)
