You are authorized to designate one or more officers to make such investigation of shortage of funds as appears appropriate. (From NATOUSA cite NAJAG to FATIMA for TAYLOR signed CG NATOUSA). You do not have disciplinary power under Article of War 104 or as summary court as personnel do not comprise a detachment but are on temporary duty as individuals.

ALLIED MILITARY MISSION
APO 512

10 October 1949

TO: Commanding Officer, 250th Airborne
Light Composite Company RASC

1. The following British enlisted men, members of the
250th Airborne Light Composite Company RASC, are now on temporary duty
with the mission:

Corporal C. Rushton, 245544
Private C. Mackrell, 176894
Private E. Farnworth, 115304

2. Corporal Rushton has been acting as Motor Corporal and
the two privates are drivers. All three are excellent men, highly
capable, and it is felt that their loss at present will be detri-
mental to the work of the Mission, since all are familiar with local
routes, locations of various units, etc.

3. It is therefore requested that these men remain with the
Mission at least until new personnel can become thoroughly familiar
with their duties.

For the Chief of Mission

Major, A.G.D.

Subject:- Medical Officer for Allied Military Mission.

HQ, 71 Sub Area.
79/1/A.
4 November 1943.

H.Q.,
2 District ('A').

Application has been received from General Taylor of the Allied Military Mission for the appointment of Captain M.A. SHELLIM, RAMC, as Medical Officer to the Mission (copy attached).

This Officer, in the course of his present duties, has to visit the Allied Military Mission daily and in consequence has become known to the Members.

This Officer is the subject of another letter concerning his health and employment (see my 79/1/A of even date). In view of his age (28) and the circumstances referred to in the above-quoted letter, I do not recommend his appointment to the Mission. The latter appointment needs careful selection as the Mission is steadily increasing in size and has ~~more~~ ^{many} senior officers on its establishment.

ALLIED CONTROL COMMISSION
APO 512

16 November 1943

MEMORANDUM FOR: General Taylor.

I recommend that Lieutenant Sabatino be returned to his organization which is the Legal Section of AMGOT at Naples. He is here only on Temporary Duty and is unsuited by temperament and training for the job of assistant to the Secretary. He himself is distinctly unhappy in the job and because of that, I believe will not work out satisfactorily. His training is Legal and I believe that he would be more satisfactory to the Army doing that work with his old organization.

I understand from Lieutenant Derby that there is a Warrant Officer Brock at Tizzi Ousou, known both to Lieutenant Derby and to General Joyce, who would probably make a satisfactory assistant for me. I understand that he is an old Army man and has expressed a desire to be here. He can fulfill a dual function here; that of personnel officer, which is not a full time job, and also act as my assistant. I recommend that he be called forward.

29 November 1943

TO: Brigadier General Maxwell D. Taylor

I recommend that request be made of AFHQ to furnish the Commission with a detachment of WAGs after our arrival in the Naples area. This detachment should be a complete administrative unit under its own officers and include its own house-keeping detail of cooks, etc. It should include four file clerks, six stenographers, six clerk-typists, six clerks, for the Secretariat and AG, additional stenographers and clerk-typists to cover requirements for clerical help which may be submitted by sections of the Commission and six drivers to be assigned to operate the cars of general officers. These to be in addition to our present personnel.

Separate living accommodations in the area will have to be provided inasmuch as WAGs should not be billeted in the same building with other troops.

JCH/jw

15 December 1943

TO: Major General Joyce.

Dear General:

Your telegram number 1416 of 12 December and my reply of December 14th had reference to Lt. Colonel Millar.

Sometime ago the question arose, inevitably, that there should be American and British representation in the Communications Commission by officers having knowledge of commercial communication, particularly those of international character. It was agreed that as Captain Stone filled these qualifications on the U.S. side, that it was considered appropriate that a British officer junior to him with similar qualifications should be appointed. Lt. Colonel Millar was selected for this purpose by the British Government. When Colonel Millar left Algiers, he was sent to Palermo as the bulk of the Commission was then there, and a letter was sent to Colonel Spofford, explaining the terms and circumstances of his appointment. Apparently Gueterbock sent him on to Brindisi without appropriate explanation.

Colonel Millar should be given appropriate assignment in the tele-communications commission, and his relationship with Colonel Henderson is, of course, a matter for your decision.

Very sincerely yours,

J. C. Holmes

C O P YC.O.N.F.I.D.E.N.T.I.A.LHEADQUARTERS
ALLIED MILITARY GOVERNMENT
APO 394

19 December 1943

SUBJECT: Attachment of non-commissioned officers.

TO : Adv. Administrative Echelon, AFHQ

Att'n Brig. General HAMBLIN.

1. It is requested that non-commissioned officers in the following listed categories be attached to this Headquarters for a period of at least three months, at the conclusion of that time it may be desired to have these non-commissioned officers assigned:

<u>Number</u>	<u>Grade</u>	<u>Qualifications</u>
2	Sgts or higher	Disciplinarians and leaders capable of assignment as 1st Sgts.
4	T/4s or higher	Capable of being assigned as Company Mess Sgts.
2	T/4s	Capable of being assigned as Co. Supply Sgts.
2	T/4s	Motor Sgts. capable of handling maintenance, repair, dispatch and motor pool.
3	T/4s	To be assigned as Duty Sgts.
3	T/4s	Motor mechanics
<u>16</u>		

8633

2. Enlisted men previously assigned to this headquarters have been chosen because of their knowledge of the Italian language or because of clerical ability. Some have not completed basic training courses. No provision was made for the necessary non-commissioned officers for Company administration. This Headquarters is required to operate in two echelons, some 35 miles apart, both being major echelons and therefore requiring considerable duplication in administration.

3. The non-commissioned officers above requested are urgently required and should this request be approved, it is highly desirable that they be attached immediately.

For the Deputy Chief Civil Affairs Officer:

M. L. CLOUGH
Lt. Col., AGD

Dear

It is understood that you have established your headquarters at Naples. It is essential that information be made available to me with respect to the shipping situation.

Lt. Col. Danmore has informed me that he has not had contact with you since the latter part of November. I recall having seen your report of 17 November and the letters written by Gibson Graham.

I note that you have been attending meetings of the Transportation Committee at Naples. I am very anxious to learn the exact position of the Shipping Sub-Commission with respect to its relations with FLASCO and FLASCO's position with respect to coastal shipping.

Has there been a clarification of the matter or a definite policy laid down with respect to craft not under command of Allied Naval Authorities? Does FLASCO control all coasters and other small craft which are not under Allied Naval Control? If so, by what directive? Also, if so, what responsibilities are left for the AGS Shipping Sub-Commission? Please telegraph your answers to the above.

I understand that you have left three officers at Palermo to look after shipping matters. Are these officers assigned to AME HQ Region I, or are they a part of the Shipping Sub-Commission carrying out field functions?

If you have submitted draft of proposed "functions" for Shipping Sub-Commission to HQ AGS or AGO, copy of same would be appreciated. Information in connection with plans you have prepared, even though tentative, will be helpful; also your thoughts as to the personnel required for the Shipping Sub-Commission. Will you also tell me where your set up is in Naples and how communications to you should be addressed.

Yours

Shp 8

HEADQUARTERS
ALLIED MILITARY GOVERNMENT

10/oa

5 January 1944.

AG 220.3

Subject: American NCO's

To : AFHQ, Military Government Section

For the personal attention of Brig. General Holmes.

1. Further to our telegram JOR 148 dated 26 December. When I arrived at Naples I found that there were nearly 200 American enlisted men who had arrived here from the United States. Some of them had already been detached to other places. There were no proper NCO's in this party. There were a few soldiers who wore NCO's stripes but had had no training as NCO's and were in general incapable of carrying out the duties of NCO's.

2. Furthermore, a large number of these enlisted men had not had their basic 13 weeks training on the square before they came out on overseas service.

3. The consequence was that the discipline, administration, turnout, and behaviour of a large number of these troops was of a low standard. The officers here were, without the help of NCO's, unable to put matters right. General Joyce himself noticed a particular incident which was typical of the general state of affairs, and directed me to take action with AFHQ, Advanced Administrative Echelon.

4. I therefore asked Brig. General Hamblen to report the case to NATOUSA. I gave him a list of our requirements (copy of letter dated 19 December 1943 attached). General Hamblen has informed me that he telegraphed to NATOUSA in accordance with this letter and sent a ~~cable~~ ^{letter}. So far no reply has been received.

5. The lack of discipline and training of these men is such as seriously to embarrass the work of this Headquarters and to draw adverse comment upon the Army. I regard it as a matter of the greatest importance that we should be provided with the NCO's for whom we have asked, and I therefore request that you will do your utmost to meet General Joyce's wishes and insure the speedy arrival of the required NCO's.

Subject: Assistance for Postal Officer of 2675th Regt.

To: Brigadier General Julius Holmes.

To facilitate a smoother handling of the mail for the 2675th Regiment, its Postal Officer, 2nd Lt. Louis Montant has been directed to visit the headquarters of each element of the Regiment as well as the Postal Officer at Algiers. As his work, which already has shown encouraging results, is most important, anything which you can do to assist him would be greatly appreciated.

MEMORANDUM FOR: Col. Albright, Headquarters AGC/ANG, Naples.

In answer to your cable, Pargo 335 of 16 January, there is enclosed copy of AFHK letter 17 December 1943, subject: "Allotment of grades and ratings to 2675th Regiment, AGC."

I am also enclosing a letter which General Holmes sent to Brigadier Gueterbock dated 11 January in response to the matter of undisciplined non-commissioned officers which General Joyce was handling personally. I have no information in the files as to just exactly what General Joyce had proposed and therefore I am unable to deal with the matter here. It occurs to me that since General Joyce apparently started this matter on one of his trips to Naples that he may have discussed it with you and that you may be able to carry on.
