1. It is anticipated that numerous applications will be made by civilians as well as by Italian officials for permission to enter the City of Rome and Fifth Army area.
2. The granting of such permission will depend upon the military operations in progress and upon the expediency of allowing additional civilians into Rome which is already seriously overpopulated.
3. Such permission will be given subject only to the following conditions which must be strictly observed.

Phase I in which all movement into the City of Rome as well as into the Fifth Army and Corps areas will be prohibited without the prior approval of C.C.S., HQ. A.A.I. This phase is already in operation and applies equally to Allied personnel as well as to civilians. Special instructions as to members of A.C.G. are contained in 750/2/Ci of 5 June 1944.

Phase II in which for purposes which are essential and which will assist the prosecution of the war, and for these only, permission may be given by A.M.G. Rome or Fifth Army for entry into the City of Rome or into those Provinces which are still part of Fifth Army or Corps areas. Where members of the Italian Government or essential Italian officials are concerned, or in other exceptional circumstances, application may also be made to this Headquarters. In cases of Italian Government officials applications will be made to the Secretary General's Office in accordance with the existing practices. The Secretary General will pass these applications to R.C. & M.G. Section. All other such applications for travel which satisfy the A.M.G./ICC Officer to whom they are presented, must be forwarded to Security Branch of the R.C. & M.G. Section where the matter will either be dealt with or referred to the A.M.G. of destination.

The date on which Phase II will operate will be notified as soon as possible.

26 April 1944.

SUBJECT: Control of Civilian Movement.

TO : Regional Commissioners Regions I, II, III, V and VI.
S.C.A.O.'s Fifth and Eighth Armies.

1. Introduction.

It is evident that the enemy intends to continue his efforts to introduce espionage and sabotage agents into Southern Italy on a considerable scale. In order to meet this threat and to neutralize as far as possible the activities of such agents, it has been decided that a wider and more effective system of control of civilian movement will be introduced.

Allied Control Commission officers are therefore requested to accord the Military Security Services every possible assistance, and to see that the restrictions referred to herein are properly and strictly imposed.

2. Restrictions.(a) Army and Corps Areas.

In the Army (and Corps) areas the existing regulation will continue to apply whereby civilians are forbidden to travel more than 10 km. from their own homes without an AMR pass.

Those civilians who wish to proceed into such areas will require to obtain a special pass which will normally be issued by the AMG authority of the area into which they intend to travel.

(b) Territory under AMG.

In territory under Allied Military Government in rear of the Army (and Corps) areas, restrictions on inter-provincial movement is to be re-imposed forthwith, i.e. civilians in this area will be forbidden to travel from one province to another without an AMG pass.

(c) Italian Administered Territory.

it has been decided that a wider and more effective system of control
of civilian movement will be introduced.

Allied Control Commission officers are therefore requested to accord the
Military Security Services every possible assistance, and to see that the restric-
tions referred to herein are properly and strictly imposed.

2. Restrictions.

(a) Army and Corps Areas.

In the Army (and Corps) areas the existing regulation will continue
to apply whereby civilians are forbidden to travel more than 10 km. from
their own homes without an AMG pass.

Those civilians who wish to proceed into such areas will require to
obtain a special pass which will normally be issued by the AMG authority
of the area into which they intend to travel.

(b) Territory under AMG.

In territory under Allied Military Government in rear of the Army (and
Corps) areas, restrictions on inter-provincial movement is to be re-imposed
forthwith, i.e. civilians in this area will be forbidden to travel from one
province to another without an AMG pass.

(c) Italian Administered Territory.

There will be no restriction on movement within that part of Southern
Italy which is administered by the Italian Government, nor within Sicily
and Sardinia. In Allied Control Commission pass will, however, be required
for movement between Southern Italy, Sicily and Sardinia, and also for all
movement from AMG territory into King's Italy and vice versa.

3. Check Posts.

(a) In Restricted Areas.

In Army (and Corps) areas and in territory administered by Allied
Military Government every effort will be made to enforce the above restric-
tions by means of a widespread system of 'trap' check posts, which will be
established for a few hours daily at irregular times and at varying points.
The responsibility of arranging such checks will rest with P.S.S. or
C.I.C. units.

2139

-2-

The object of these check posts will be : (i) to turn back those seeking to move outside the prescribed limits without a pass, (ii) to take action against those who have committed serious and flagrant breaches of the regulations, (iii) to question or detain for investigation persons whose conduct or "story" is suspicious.

(b) In Unrestricted Areas.

In territory administered by the Italian Government a similar system of 'trap' check posts will be established. In this instance, however, the objects will be limited to (1) briefly questioning those passing the point with a view to discovering suspicious individuals who should be subject to further interrogation and investigation, and (2) instilling a sense of insecurity in the minds of agents or other undesirable individuals so that they may hesitate to move about or even abandon their mission.

(c) Organisation and Composition.

This system of check posts will be organised by Army, Corps, District and Base Section Headquarters and NOT by AMG/DC, both in AMG and ACC territories.

These check posts will normally be manned by appropriate combinations, according to circumstances of F.S.P./C.I.C., S.I.M. (O.S.), C.C.M. and Guardia di Finanza.

Every effort will be made by Allied Control Commission officers to ensure the fullest co-operation of the Italian Police in connection with these duties.

Passes.

(a) Army Areas and Regions.

In the case of persons wishing to move North-Westwards across the "Control Line" (which follows the general line of the Rivers Biferno and Volturno) or to enter Foggia Province, the existing procedure will normally be followed whereby they must first obtain (through their local AMG/ACC representative) a pass issued by the appropriate AMG authority in the area of their destination.

(c) Organization and Composition.

This system of check posts will be organized by Army, Corps, District and Base Section Headquarters and NOT by AMB/ACC, both in AMB and ACC territories.

These check posts will normally be manned by appropriate combinations, according to circumstances of F.S.P./C.I.C., S.I.M. (C.S.), C.C.R. and Guardia di Finanza.

Every effort will be made by Allied Control Commission officers to ensure the fullest co-operation of the Italian Police in connection with these duties.

Passes.

(a) Army Areas and Foggia.

In the case of persons wishing to move North-Westwards across the "Control Line" (which follows the general line of the Rivers Biferno and Volturno) or to enter Foggia Province, the existing procedure will normally be followed whereby they must first obtain (through their local AMB/ACC representative) a pass issued by the appropriate AMB authority in the area of their destination.

(b) AMB Provinces.

For other journeys involving movement into, or between, Provinces within the restricted area (i.e. from Bari to Avellino or from Foggia to Naples) a pass will be issued by the local AMB/ACC representative at the point of departure.

(c) Discretion of Provincial Commissioners.

The procedure described in para. (b) above may be employed in cases described in (a) above when, for urgent administrative, economic or other reasons, the procedure described in (a) would be impracticable owing to the time factor. In such cases the passes will be issued by the Provincial Commissioner or by a member of his staff on his behalf who will immediately forward details of the issue of such passes to the S.C.O. or EC of the area of destination.

-3-

(d) Reasons for Travel.

It is essential that the issue of passes to cross the "Control Line" or to enter Foggia Province be strictly limited to those cases where the journey will benefit the Allied cause, or where there are important administrative or economic reasons, or in exceptional cases, where there are urgent compassionate grounds. The issue of other passes will be limited to persons who show good and genuine reason why they wish to travel, whether on official matters, business or family grounds.

(e) Issue of Travel Tickets.

Allied Control Commission officers will ensure that transport tickets will not be issued by the railway authorities or other travel agencies to places within restricted areas unless the persons applying for tickets are in possession of a proper pass to their intended destination.

(f) Italian Government Officials.

Passes for Italian Government officials will be issued by this Headquarters and signed by the Secretary General or by the Deputy Secretary General, Allied Control Commission, and will be issued after application has been received from the Government Department concerned or from Italian Liaison Section, Allied Control Commission, and considered by the appropriate Sub-Commission who will be responsible for examining the application as to actual necessity for the proposed journey. Such passes will be prepared for signature by the Sub-Commission concerned.

(g) Italian Military Personnel.

The movement of members of the Italian Military Forces is unrestricted providing they are on duty and in possession of proper credentials. The Italian Military Forces when not on duty, e.g. when on leave, are subject to the same restrictions as civilians.

(h) Issuing Officers.

It will be within the discretion of the Provincial Commissioner to authorize specified and approved officers of the Quarters or CC.RR to issue passes for inter-provincial travel. It is emphasized, however, that passes permitting persons to enter the Army areas or Foggia Province must be issued by AM/AGC officers.

3437

(F) Italian Government Officials.

Passes for Italian Government officials will be issued by this Headquarters and signed by the Secretary General or by the Deputy Secretary General, Allied Control Commission, and will be issued after application has been received from the Government Department concerned or from Italian Liaison Section, Allied Control Commission, and considered by the appropriate Sub-Commission who will be responsible for examining the application as to actual necessity for the proposed journey. Such passes will be prepared for signature by the Sub-Commission concerned. ()

(G) Italian Military Personnel.

The movement of members of the Italian Military Forces is unrestricted providing they are on duty and in possession of proper credentials. The Italian Military Forces when not on duty, e.g., when on leave, are subject to the same restrictions as civilians.

(h) Issuing Officers.

It will be within the discretion of the Provincial Commissioner to authorize specified and approved officers of the Questore or CC.RR to issue passes for inter-provincial travel. It is emphasized, however, that passes permitting persons to enter the Army areas or Foggia Province must be issued by AF/LCC officers.

(i) Semi-Permanent Passes.

In the case of persons living near a Provincial boundary and whose place of employment is in, or partly in, and adjoining Province or Provinces, a semi-permanent pass may be issued and such passes shall expire on 31 March, 30 June, 30 September and 31 December annually, and then become renewable upon further application. Such passes may also be issued to all persons who have sufficient reason for frequent travel between Provinces.

(j) It is suggested that when an application for travel into an Army area or into Foggia Province is received in AF/LCC territory that the officer concerned completes the pass on behalf of the applicant (provided he is satisfied with the sufficiency of reasons for such travel) and forwards it to the SCAD/PC of the destination for approval; signature and return.

2437

5. It will be seen that in future, Provincial Commissioners will be authorised under certain circumstances to issue passes for entry into Army areas or Poona Province without prior permission from the point of destination (vide 4 (c)) and further that the movement of members of Italian Military Forces is unrestricted, (vide 4 (E)).
