OFFICE MEMORANDUM )

NUMBER

6 )

1. It may happen that telegrams are wrongly marked by the Message Centre "For Action" to the Section, Branch or Sub-Commission which is not functionally concerned with the subject matter and "For Info" to the office which should take action.
2. On occasions telegrams are sent "For Info" to all concerned.
3. In these circumstances it is the duty of the office which is functionally concerned with the subject matter to take action regardless of the distribution made by the Message Centre and to inform immediately the Message Centre and the office to which the message may have been (wrongly) sent for action of this intention.
4. This does not absolve the office to which a Signal has been marked "For Action" from either taking action or informing the Message Centre.
