Confirm LONGO for Trapani Morzi for Sardinia. For Ragusa Palumbo considered too old prefer Intorella present mayor of Comiso well recommended by Provincial Commissioner noted anti Fascist and political. For Syracuse recommended Cipriano Cipriani recently transferred from Messina to Ragusa. Vice Prefect also urgently wanted for Siracusa. Suggest that Vasca de Dominocis might be suitable for Caltanissetta.

Your cable 2762 of 14 May received. Necessary arrangements being made. Alexander just completed tour of Tribunali. Transfers of Sardinian judicial officials proposed by Ministry of Justice referred to in your letter of 5 May will strengthen Preture at expense of Tribunali and Procure. All forces of this command will adopt the following system effective at date and hour prescribed by TROOPERS. There follows a paraphrase of message from TROOPERS: "As from 0100B on first May 1944 the expression "Zero Hour" will be changed to expression "H" hours which will be used exclusively. Unless context is clear, all figures shown in conjunction with "H" hours will be followed by either hours or minutes as follows: H plus 4 minutes, H minus 5 hours. New term has been agreed for use by Air Ministry and this will be in conformity with that in use already by Royal Navy and SHARP. Quotation ends here.
