Il locale direttore del Banco di Napoli, spalleggiato dalle peggiori scorie fasciste e tenendo fede alle minacce circolate nei giorni scorsi, il giorno 26 corrente provocava il Segretario di questa Camera del Lavoro, violava la Sede della Camera stessa e ne richiedeva la chiusura, incitando alle distruzioni dei locali allo scopo evidente di disorganizzare il sistema di controllo sulle evasioni all'ammasso del grano, ammasso disposto d'accordo con le Autorità. Denuncio tali fatti alla Commissione interalleata. Denunciamo la criminale manovra sabotatrice, protestiamo contro l'attentato alla libertà sindacale e richiediamo protezione della libertà stessa. The Local director of the Bank of Naples, backed by the worst fascist elements, and faithful to the threats spread in the last few days, on the 26th of this month provoked the Secretary of this Chamber of Labor, forced himself into the Hq of the Chamber demanding its closure, inciting the destruction of its premises with the obvious intent of disorganizing the control on the evasions of the public granaries, which have been ordered in agreement with the Authorities. I report these facts to the Inter Allied Commission. We denounce the criminal act of sabotage, and protest this attempt to destroy syndical liberty and ask protection of this freedom.

Il Col Bright per il Commissario Provinciale della ACC è al corrente della mia situazione. Il giorno 10 giugno Cosenza telegrafava al Sottosegretariato Poste e Telegrafi in Salerno chiedendo la revoca del mio trasferimento a LIMPIDI causa la grande difficoltà di poterla raggiungere. Tale telegramma appoggiava le mie richieste in data 20 maggio e 9 giugno nelle quali domandavo di rimanere come ora alla direzione di questo Ufficio postale (Anantea), direzione da me tenuta fin dal 1941 e dove ho subito tutte le conseguenze della guerra. Malgrado tutte le ragioni sopra esposte il Ministero ha deciso la mia immediata sostituzione con un altro direttore. Invoco vostro sollecito intervento perché sia evitata una grave ingiustizia ai danni di un onesto vecchio impiegato, padre di una numerosa famiglia, alla quale verrebbe.

TRANSLATION

Col Bright for the Provincial Commissioner of the ACC is aware of my situation. On the 10th of June Cosenza wired the Under Secretary for Posts & Telegraphs in Salerno, asking for my transfer to Limpidi to be rescinded because of the great difficulty in getting there. Such a telegram supported my requests of 20 May and 9 June for my remaining director of this Post Office (Anantea). I have held this position since 1941, and have suffered there all the consequences of the war. Despite all these reasons the Ministry has decided to replace me immediately with another director. I beg you to intervene immediately so that a great injustice upon an old employee and his family will be avoided. His family would be deprived of any financial assistance.

/s/ Leo Pasquale Francesco
Manager of the Posts of Anantea

Consideration has been given to your 6456. USA and British Govts have agreed that Swiss Govt should establish consulates in Southern Italy. Location at Naples is approved here. Swiss have special position as protectors of German interests in Italy. So case not necessarily a precedent. Exequatur from Italian Govt not involved in opening Naples Consulate and even if that place should be restored to Italian Administration no difficulty foreseen. It is not consul's function to deal with garrisoned Italian Govt. Neither cipher nor bag facilities will be allowed Swiss consuls.
