MEMO FOR BROWNING RPTD AAI, ACC HEAR FOW CAMPBELL
ACC MAIN FOR MEMO LIAISON OFFICER

Teletype

MEMO notes on meeting Browning Oxilia received. Consider following advance parties should move to Rome by 24 June. First CIN Gen Oxilia and approximately 12 officers same plus clerks etc. as requisite. Second CIN similar party from war ministry. Third CIN MEMO approximately 10 officers and 14 men as planned. Offices, billets, messes, furniture and phones are ready. Office machinery and stationery wanted. Communications uncertain but we might help out. Camp staff not essential but could assist ACC HQ Comdt who is responsible for admin of all subcommissions. Main body can be accommodated whenever you decide to move them but probably dependent on transport, communications. Suggest you may want to review composition of some liaison detachments as result of move. Signal your decision and estimated time of arrival. Acknowledge..
