PLANNING DIRECTIVE No. 8.

1. Scope.

This Directive deals with miscellaneous matters applicable to both Regions and Armistice C.C.

2. References.

References after para headings are to relevant previous P.Ds.

3. National H.Q. - Change of Name.

The name "Allied Commission" in place of Armistice C.C. will be taken into use forthwith. Abbreviation "A.C."

4. Organization - Allied Commission. (No. 4, para 5).

(a) It is believed that the Allied Commission will be organized substantially as shown in App. A hereto. The senior ranks (Maj-Gen and above) are purely provisional. This replaces App. A to P.D. No. 4. All copies of App. A to P.D. No. 4, other than the file and War Diary copies, will be destroyed.

(b) It will be noted that:-

(1) The number of sections has been reduced from five to four. Co-ordination being especially required of the former Economic and Finance; and Adm. Services Sections, these have been reconstituted as "Directorates" both coming under the Vice-President of the Economic and Adm. Section. Sections have accordingly been re-numbered 1 (Military), 2 (Economics & Adm.), 3 (Communications) and 4 (Political) for convenience.

(2) The Food Rationing and Distribution Sub-Commission disappears and is abolished. Its functions will be performed by the Industry and Commerce and Interior Sub-Commissions. (See paras 5 & 6 below.)

(c) It is not considered necessary to issue fresh charts to replace Apps. B1 and B2 to P.D. No. 4 as there is little difference for

3. National H.Q. - Change of Name.

The name "Allied Commission" in place of Armistice C.C. will be taken into use forthwith. Abbreviation "A.C."

4. Organization - Allied Commission. (No. 4, para 5).

(a) It is believed that the Allied Commission will be organized substantially as shown in App. A hereto. The senior ranks (Maj-Gen and above) are purely provisional. This replaces App. A to P.D. No. 4. All copies of App. A to P.D. No. 4, other than the file and War Diary copies, will be destroyed.

(b) It will be noted that:-

(1) The number of sections has been reduced from five to four. Co-ordination being especially required of the former Economic and Finance; and Adm. Services Sections, these have been reconstituted as "Directorates" both coming under the Vice-President of the Economic and Adm. Section. Sections have accordingly been re-numbered 1 (Military), 2 (Economics & Adm.), 3 (Communications) and 4 (Political) for convenience.

(2) The Food Rationing and Distribution Sub-Commission disappears and is abolished. Its functions will be performed by the Industry and Commerce and Interior Sub-Commissions. (See paras 5 & 6 below.)

(c) It is not considered necessary to issue fresh charts to replace Apps. B1 and B2 to P.D. No. 4 as there is little difference for planning purposes. Sub-Commissions previously under the Economics and Finance and Adm Services Sections now come under the Economics and Adm Directorates respectively. Amendments will therefore be made to those Appendices in accordance with App. B hereto.

5. Functions of Sub-Commission (No. 7, paras 3 & 5).

(a) Revised Apps. 'C' (Industry and Commerce) and 'H' (Interior) are issued herewith consequent upon the abolition of the Food Distribution and Rationing Sub-Commission. All copies of the original Appendices 'C' and 'H' issued with P.D. No. 7, other than file and War Diary copies, will be destroyed.

(b) App. 'Q' (Telecommunications and Posts) referred to in para 5 of P.D. No. 7 is issued herewith, and will be attached to P.D. No. 7.

- 2 -

6. Organisation of Sub-Commission, Armistice C.C. (No. 4, para 6 (b) and No. 7, para 6).

- (a) Personnel of Sub-Commissions will re-organize forthwith as required by para 5 (a) above.
- (b) The Provisional organization of Sub-Commissions by numbers, ranks and nationalities is given in Apps. C1, C2 and C3 hereto. This supersedes the organization given in the Apps. to M.G.S. Papers, Nos. 5 & 7 (as subsequently amended by authorized TO / WE) but the overall total, and the number of British and American officers has not been altered. These figures should not be regarded as final. - in particular the higher ranks are not firm. They will, however, be worked to for present planning purposes.

- (c) Sub-Commissions will consider what Sub-Divisions and specific appointments will be required within their Sub-Commission and prepare, on the lines of Paper No. 5, registers accordingly. It is inadvisable at this stage to allot every officer to a specific post - a proportion should be held in a pool.

(d) The abbreviation to be used for the Joint Assistant Chiefs of Staff is "JACS".

(e) Heads of Sub-Commissions will address minutes or letters (See II (b) of P.D. No. 1) intended for H.Q. (a) Ref. Nos. of letters, Allied Commission:-

The prefix "AC" will be used instead of "ACC".

(b) Regions, will, for the present, address letters intended for the Planning Centre, "M.Q., Royal Allied Commission" (See Para 7).

(c) The abbreviations to be used for the Asst. Chief of Staff (Military) (See para 10(b) and ()) will be "Mil".

(See para 10 (b) above).

(f) Orders in previous P.Ds. regarding the rapid passing of files are not in all cases being complied with. Branches and Sub-Commissions tend to hold files for too long. This causes difficulties when fresh matter arrives for filing. Clerks have been instructed to bring new matter to be filed to the Branch, etc. which has the file, but this is not practicable after office hours or shortly before the conclusion of office hours. Heads of Branches and Sub-Commissions will therefore ensure that ALL files are returned to the Central Registry daily before the Branch closes on the day. If the file is finished with, the entry in the "referred to" list will be crossed out and initialled - If the file is not finished with, the entry will NOT be crossed out and the Central Registry will return the file to the Branch concerned by 0900 hrs the following day, any new matter received having been inserted.

PLANNING DIRECTIVE No. 111. Scope & Purpose.

(a) This Directive deals with the reorganization of the Planning Center, the mobilization and training of the Allied Commission, priorities as regards personnel and equipment, and miscellaneous matters. It affects both Regions and A.C.

(b) Recent decisions have rendered some of the instructions in the last three PDs out of date. This Directive contains certain specific amendments to PD No. 8 - any portions remaining unamended will be regarded as superseded where they conflict with this Directive, in the normal manner. This also applies to PD No. 10.

2. References.

References in brackets after paragraph headings are to the appropriate previous PD.

3. Advance Party, A.C. (No. 3 para. 7)

(a) Operation "Cavalier" having been cancelled (AC/1017/1 dated 6 Oct. 43), PD No. 9 dated 4 Oct. 43 is no longer applicable. Copies will, however, be retained in view of paras. 15, 16, 17, 18, 19 & App. "A", which say prove of value at a later date. All other paragraphs are hereby cancelled.

(b) AC/1017/1 dated 4 Oct. 43 ("Warning Order - Move of parts of Allied Commission") is hereby cancelled in toto.

4. Organization - Allied Commission.

This remains the same, as laid down in PD No. 8.

5. Organization - Holding Center, and Planning Center.

The structural organization & chain of command which will come into operation forthwith (subject to para. 12(a)(1) below) is shown in diagrammatic form at App. "A" hereto. The main features are as follows:-

(i) Two Joint Chiefs of Staff (JCS) are introduced directly

guarded as superseded where they conflict with this Directive, in the normal manner. This also applies to PD No. 10.

2. References.

References in brackets after paragraph headings are to the appropriate previous PD.

3. Advance Party, A.C. (No. 8 para. 7)

(a) Operation "Cavalier" having been cancelled (AC/1017/1 dated 6 Oct. 43), PD No. 9 dated 4 Oct 43 is no longer applicable. Copies will, however, be retained in view of paras. 15, 16, 17, 18, 19 & App. "A", which may prove of value at a later date. All other paragraphs are hereby cancelled.

(b) AC/1017/1 dated 4 Oct. 43 ("Warning Order - Move of parts of Allied Commission") is hereby cancelled in toto.

4. Organization - Allied Commission.

This remains the same, as laid down in PD No. 8.

5. Organization - Holding Center, and Planning Center.

The structural organization & chain of command which will come into operation forthwith (subject to para. 12(a)(1) below) is shown in diagrammatic form at App. "A" hereto. The main features are as follows:-

(i) Two Joint Chiefs of Staff (JCS) are introduced directly under AFHQ. They will command the present School & Holding Center, the H.Q. of the Allied Commission (JACS) and a new organization to be known as the AMG Planning Section. (See (ii) below).

(ii) With effect from morning Saturday, 9 Oct. 43, a H.Q. to be known as the AMG Planning Section (AMG(P)) will be instituted, and will be borne on the strength of AMG, L. of C. (See para. 6). It will deal with all Regional questions at Tizi-Ouzou - i.e. all questions hitherto dealt with by JACS in so far as Regions, whether activated or not, are concerned. Activated Regions will not, therefore, in the future, deal with MGs AFHQ direct, but, equally with non-activated Regions, will refer all questions to AMG Planning Staff - no longer to JACS. Para. 6(b) & (c) of PD No. 10 are therefore modified accordingly - such correspondence will be addressed to AMG Planning Section. This is therefore the last Official Directive which will be issued to Region by A.C.

(1) See memorandum #1 13.10.43
Organization - AMG.

(a) A H.Q. AMG is being formed in Sicily, and will be directly under AFHQ (MGs). It will be known as "AMG, L. of C.". It will have under its command all Regions not under command AMG, 15 Army Group (See (b) below).

Even though the main
features of the
organization are
laid down in the
above, it is
emphasized that
the organization
is a working
document and
will be modified
as circumstances
demand.

(2)

(b) A H.Q. AMG has been formed in Italy under command 15 Army Group. It will be known as "15 Army Group", and will have under its command all Regions in Italy in the Army Group Combat Zone such as are not, by order of the C-in-C., handed over to AMG, L. of C.

(c) The reason for the above organization is that the state of Italy, and in particular of its present Government render it impossible, for the present, for the Allied Commission to function for certain areas as hitherto contemplated. This will probably not be possible until the Italian Government is established in Rome. A.C. will then take over from AMG, L. of C., such Regions as are then under its control, & AMG, L. of C. will cease to exist.

7. Allied Commission - Organization.

(a) The Allied Commission is stationed for the time being at Tizi-Ouzou, and will be known as such. The abbreviation "AC", NOT "Hq AC" will therefore be used.

(b) (1) A W/E (British) for "Armistice C.C." has been approved, the formation letter has been received, and copies are being issued to all concerned. This Establishment is somewhat out of date, being based on Paper No. 7 and the old Special Divisions. It will later be replaced by a W/E, embracing the whole of the Allied Commission. Meanwhile the existing W/E, will be worked to for the purpose of personnel & equipment. This means that A.C. is (on the British side only) a legal unit having a separate existence from the School of Holding Center. G-1 and H.Q. Comd. will, from date to be arranged with the Holding Center, undertake the reporting of casualties and all personnel matters in respect of personnel taken on the strength. (See paras. 15 & 17).

(11) Developments on the American side are invited and will be notified as soon as decided.

8. Allied Commission - Detachment.

(a) In order that officers of A.C. may obtain active experience in the field, it has been decided that a detachment of some 50 officers, nearly all from Sub-Commissions, will proceed to Sicily at an early date, when shipping is available. Officers to be detailed are the key personnel of Sub-Commissions, provided the total does not exceed about 50. At least one responsible officer from each Sub-Commission will remain as rear link. Further detailed orders regarding numbers to proceed will be issued.

(b) The detachment will be under the command of a British Detachment Commander (Lt. Col. Moss-Vernon, who is already in Sicily) and an American Detachment Executive (to be appointed) for the purposes of (c) below.

(c)

will therefore be used.

(b) (1) A W/E (British) for "Justice C.C." has been approved, the formation letter has been received, and copies are being issued to all concerned. This establishment is somewhat out of date, being based on Paper No. 7 and the old Special Divisions. It will later be replaced by a W/E, concerning the role of the Allied Commission. Meanwhile the existing W/E, will be worked to for the purposes of personnel & equipment. This paper that A.C. is (on the British side only) a legal unit having a separate existence from the School's Holding Center. G-1 and H.Q. Comd. will, from a lot to be arranged with the Holding Center, undertake the reporting of casualties and all personnel matters in respect of personnel taken on the strength. (See paras. 16 & 17).

(11) Developments on the American side are awaited and will be notified as soon as decided.

8. Allied Commission - Detachment.

(a) In order that officers of A.C. may obtain active experience in the field, it has been decided that a detachment of some 50 officers, nearly all from Sub-Commissions, will proceed to Sicily as an early date, when shipping is available. Officers to be detailed are the key personnel of Sub-Commissions, provided the total does not exceed about 50. At least one responsible officer from each Sub-Commission will remain as rear link. Further detailed orders regarding numbers to proceed will be issued.

(b) The detachment will be under the command of a British Detachment Commander (Lt. Col. H. S. Vernon, who is already in Sicily) and an American Detachment Executive (to be appointed) for the purposes of (c) below.

(c) The detachment will be under the Operational Command of H.Q. I.M., L. of C. for purposes of training & local administration only. For all purposes of internal unit administration it will remain under H.Q. A.C., with whom the Detachment Commander will correspond direct on such matters.

(d) H.Q. A.M., L. of C. may wish to arrange certain transfers of personnel. Any such transfers, and all casualties and matters affecting personnel in any way, will be reported to H.Q. A.C. by the O.C. Detachment.

9. AMB Planning Section - Organization.

Ref. para. 5(11) above.

(a) The Section will consist of a Colonel, two G-1, two G-4, and two Liaison Officers. Initially the Staff will be provided from Officers at Tizi-Ouzou, but later by AMB, L. of C. Names are shown in App. "B", referred to in para. 11 below.

(3)

10. Chiefs of Staff Office - Organization.

Ref. para. 5 (1) above.

This will not be regarded as a separate office (see para. 11). One Personal Assistant (Lieut. Macnamara) is being provided. The Chiefs of Staff will take over Command with effect from morning 8 Oct.

11. Organization of the Staff (No. 8, para. 10).

(a) E & F, Comm, and A3 Staff will resume separate operation, part of AC/1017/1 dated 4 Oct 43 having been cancelled under para. 3 (b) above.

(b) Sub-para. (b) and (c) of para. 10 of PD No. 8 are hereby cancelled. (See (c) and para. 12 below).

255

(c) App. "B" hereto gives the duties, in brief, of the A.M.C. Planning Section, and the G-1, G-2, G-4, AS, E & F, and Comm. branches of the A.C. Staff, and also the names of Officers at present holding appointments thereon. This replaces App. "E" to PD No. 8. All copies of the latter Appendix (other than file and War Diary copies) will be destroyed.

12. Office Organization.(a) AMG (F)

(i) AMG (F) will function as a separate office, but will for the present use the existing Central Registry pool of clerks.

(ii) It will maintain its own separate files. Prefix will be AMG, and distinguishing nos. of files will start at 5,000. Suffixes for ref. Nos. of letters will be G-1, G-4, or P (Policy). AMG (F) will arrange for copies as necessary of letters from existing A.C. files.

(iii) Files may be minuted to A.C. branches or to Regions at List - not to Regions at Churchill (This applies equally to AC files). Abbreviations already in use will be used, prefixed by "AC" - e.g. "A.C. (G-1)".

(iv) The same office system as at present in vogue will be used.

(v) Services such as Library, Passes, Message Center, etc. will be provided by A.C. and will be available for AMG (F).

(b) JCS.

JCS will NOT function as a separate office, and files and papers will in no case be referred to them direct. Any letters so addressed will be sent to the appropriate branch whether of

4. Structural Organization - Allied Commission (final) (No. 3, para. 4).

(a) The only substantial change is that the Information Sub-Commission is transferred to the Political Sub-Commission. App. "A" hereto gives what it is hoped and expected will be the final set-up of the Commission.

(b) Appendices as under are attached hereto, concerning the organization and duties of certain activities and elements of the Commission.

App. B1 Coordination of Telecommunications.

App. B2 Organization of Intelligence Work.

App. B3 Duties of the Secretariat.

App. B4 Functions of the Headquarters Section (hitherto designated the "Military Adm. Staff").

App. B5 Industrial Planning.

It is emphasized that these Apps. are provisional - they have not yet had the approval of all concerned. Meanwhile they will serve as a guide.

5. Organization - AGS & Allied Commission (No. 11, para. 6)

(a) APP L. of C. in Sicily is reorganizing so as to conform to the present organization of AG, Tizi-Ouzou, and will be reinforced by personnel of present A.C. under the provisions of para. 6 below.

(b) It will be known as "HQ, Allied Commission & AMG" and will control all Regions not under command AMG, 1st Army Group, whether these are exercising the functions of Military Government or of the Allied Commission. In other words, HQ, AMG, L. of C., and HQ, Allied Commission will merge, and will act as one integrated Staff. The detachment, A.C. already in Sicily (see P.D. No. 11, para. 5) will similarly be absorbed.

(c) A "Forward Command Post" of HQ, AMG & A.C. is established at Brindisi under Lt. Gen. Mason McFarlane. Personnel of this Command Post will eventually join the Allied Commission when the latter is established at Rome.

(d) A chart showing the temporary organization outlined above is attached as App. "C" hereto.

6. Move of Present A.C. to Sicily.

(a) Ref. para. 3(a) above. A.C. Movement Order No. 2 dated 15 Oct. 43 is cancelled. All copies will be destroyed. A.C. less a rear party will move to Sicily and join AMG there on or after 23 Oct. Separate orders for the move will be issued. The party to move will consist of about 136 Officers & 150 EW/GR, with proportion of vehicles. Details of Officers proceeding are given in App. "D" hereto. This list is subject to alteration.

(b) The organization referred to in paras. 7, 8(b) & 10 below, will take effect after the departure of the party in (a) above. Up to that time the organization remains as at present.

7. Organization - Rear Echelon, A.C.

A.C. (Rear) will consist of A.C. personnel remaining at Tizi-Ouzou after departure of the party referred to in para. 6 above. It will continue to administer that portion of Region 6 in Tizi-Ouzou.

8. TC/WE & Reporting of Casualties (No. 11, para. 16)

(a) A TC/WE for the entire Allied Commission (see App. "A") is being produced. Meanwhile, British personnel will be held on the strength either of the existing WE No. BA/147/1 dated 16 Sep, or of AMG Sicily. Personnel of the Forward Command Post will be held on the strength of the latter.

(b) It is possible that the TC/WE for the Allied Commission will be produced and authorized portion by portion - e.g. App. "B" hereto (see para. 9) may be authorized in advance.

(d) A chart showing the temporary organization outlined above is attached as App. "C" hereto.

6. Move of Present A.C. to Sicily.

(a) Ref. para. 5(a) above. A.C. Movement Order No. 2 dated 15 Oct. 43 is cancelled. All copies will be destroyed. A.C. less a rear party will move to Sicily and join AMG there on or after 23 Oct. Separate orders for the move will be issued. The party to move will consist of about 136 Officers & 150 EM/OR, with proportion of vehicles. Details of Officers proceeding are given in App. "D" hereto. This list is subject to alteration.

(b) The organization referred to in paras. 7, 8(b) & 10 below, will take effect after the departure of the party in (a) above. Up to that time the organization remains as at present.

7. Organization - Rear Echelon, A.C.

A.C. (Rear) will consist of A.C. personnel remaining at Tizi-Ouzou after departure of the party referred to in para. 6 above. It will continue to administer that portion of Region 6 in Tizi-Ouzou.

8. TC/WE & Reporting of Casualties (No. 11, para. 15)

(a) A TC/WE for the entire Allied Commission (see App. "A") is being produced. Meanwhile, British personnel will be held on the strength either of the existing WE No. NA/147/1 dated 16 Sep, or of AMG Sicily. Personnel of the Forward Command Post will be held on the strength of the latter.

(b) It is possible that the TC/WE for the Allied Commission will be produced and authorized portion by portion - e.g. App. "B" hereto (see para. 9) may be authorized in advance of other portions.

(c) American personnel will be held on the strength of the 2875 Rpt., Allied Commission (American Contingent) (Provisional) Palermo, Sicily, (now forming). All administrative reports will be forwarded to the H.Q. of the Regt., copies to A.C. (Rear).

(d) A.C. (Rear) will be responsible for the reporting of British casualties to GHQ 2nd Echelon. All casualties must therefore be reported by HQ, AMG & Allied Commission to A.C. (Rear) to enable this to be done.

9. Organization - A.C. Staff & Sub-Commissions (No. 8, para. 6).

The provisional TC/WE (Officers only) is given in App. "E" hereto. This replaces Apps. C1, C2, & C3 to P.D. No. 8. All copies of the latter three Apps. (except file & war diary copies) will be destroyed. This TC/WE will be worked to for planning purposes and for purposes of assignment of Officers.

10. Organization - Planning & Holding Center (No. 11, para. 5 as amended by App. 1, No. 1).

No change except as required by the departure of the bulk of A.C. (para. 6). A.C. (Rear) will carry out the functions hitherto performed by A.C.

11. Functions of Sub-Commissions. (No. 7, para. 3 & App. 1, No. 2, para. 5 & App. 1, No. 1).

(a) Functions of Sub-Commissions have been revised in the light of higher set-up of the Commission and of other experience. A fresh set of Appendices, lettered "A" (numbered according to the sequence on the chart App. 1, "A" reading from left to right), have therefore been prepared. In all they number seventeen, and are numbered P1 (Information Sub-Commission) to P17 (Education Sub-Commission) and P24 & P25 (Tele-grams Sub-Commission) (See App. "1").

(b) They replace App. "A" to "Q" (sixteen, Food Distribution & Retention "R") having been abolished) to P.D. No. 7 ("C", "H", & "Q" were issued with P.D. No. 8), and include one new one - Internees & Displaced Persons Sub-Commission.

(c) App. "A" Nos. 8, 11, 12, 14, 15, 17, X, & 20 are issued herewith - the remainder will follow shortly. Corresponding App. to P.D. No. 7 will be destroyed (except file & War Diary copies) as and when the "A" App. to this Directive are received.

12. Organization of the Staff, Rear A.C. (No. 11, para. 11).

After the departure of the party referred to in para. 7 above, it is doubtful if any E.A.F., A.S., or Comm. Staff can be organized. Further orders will be issued at the time.

13. Distribution Lists (No. 11, App. "6")

From now on it will be necessary to issue recipients of important documents with two copies each - one to take to Sicily, one for rear link, A.C.

A revised Distribution List is attached as App. "6" hereto. This replaces App. "6" to P.D. 11, all copies of which will be destroyed.

ORGANIZATION OF INTELLIGENCE WORK IN THE ALLIED COMMISSION

1. General

Accurate and timely information is required for two main purposes:

- (a) to provide a sound basis for plans and operations of the Commission,
- (b) to provide the United Nations with intelligence about Germany, Japan and enemy occupied territories which will assist the United Nations' war effort. It should be possible to obtain such information of the enemy outside this theatre of operations, which will nevertheless be of great value to our forces in other theatres, e.g., as regards selection of bombing objectives.

2. It must be remembered that this occupation and supervision of an enemy country provides a unique opportunity for gaining intelligence about our enemies. Full and early advantage must be taken of this.

3. Whereas normally military intelligence has to be obtained from observation of an enemy, in the case of the allied occupation intelligence is gained from direct sources, i.e., from the ordinary work of subcommittees and from belligerent and possibly co-operating states. This information will be largely collected and collated in the normal course of work without necessitating setting up separate intelligence staffs. Information about enemy and enemy occupied territories will however demand special attention, as its value will not be immediately apparent in the work of assisting and supervising the Italian Government.

4. It follows that it will normally be unnecessary to allocate special intelligence officers to subcommittees.

5. Details of Allied Intelligence Committee.

This committee will be responsible for:

- (a) collation of information received from subcommittees.
- (b) provision of collected information to sections, subcommittee staffs and committees of the allied commission as required.
- (c) providing intelligence for GHQ with particular reference to intelligence about enemy and enemy occupied territories, including those outside this theatre of operations.
- (d) liaison with the Joint Army Navy Intelligence Collecting Agency.

2545

belligerent and possibly co-operative natives. This information will be largely collected and collated in the normal course of work without excessive tating setting up separate intelligence staffs. Information about enemy and enemy occupied territories will however demand special attention, as the value will not be immediately apparent in the work of assisting and supervising the Italian Government.

4. It follows that it will normally be unnecessary to allocate special intelligence officers in subcommittees.

Additional members may be added as required for special purposes.

- (c) deal with questions asked by the Allied Intelligence Committee.
- (d) frame questions for the subcommittees of that section.

- 2 -

(d) ensure that the necessary records and statistics are maintained in accordance with the instructions of the Allied Intelligence Committee.

8. The chief intelligence officer of each section will be ex officio a member of the Allied Intelligence Committee.

9. Liaison with combined chiefs of staff.

It will be the duty of JAIHQ to forward intelligence from the Allied Commission to the CCOS.

10. Security.

A small security staff will work in the Headquarters Section, and be responsible for issuing the necessary security orders for the Allied Commission and for general supervision of security.

11. The Principal Security Officer will maintain close touch with the security organization at AFHQ, and will be an ex officio member of the Allied Intelligence Committee.

The Industrial Planning Staff will carry out the necessary planning for the Allied Command.

- (a) Economy in man power, particularly United Nations' manpower.
 - (b) Economy in shipping and imports.
 - (c) Italy will remain an active theater of operations for some time.

 - (e) The extent of the restoration of at least minimum standards of employment and living, the more change there will be of civil disturbances and other circumstances to the war effort of the United Nations.
2. It follows that there must be long term planning to insure economy of effort, in obtaining objectives ultimately achieved; and for the early furtherance of the United Nations' war effort Germany and Japan.

ORGANIZATION OF INTELLIGENCE WORK IN THE ALLIED COMMISSION

1. GENERAL

The task of the Intelligence organization in the Allied Commission will be twofold:

- (a) to provide intelligence for a sound basis for plans and operations of the Commission.
- (b) to transmit to JIC (AF), or to such agencies as may be designated by them all relevant intelligence.

2. It must be remembered that this occupation and supervision of an enemy country provides a unique opportunity for gaining intelligence about our enemies. Full and early advantage must be taken of this.

3. Whereas normally military intelligence has to be obtained from observation of an enemy, in the case of the allied commission intelligence is gained from direct sources, i.e. from the ordinary work of sub-commission and from a co-bel-ligent and possibly co-operative nation. Thus information will be largely collected and collated in the normal course of work without necessitating setting up separate intelligence staffs.

4. It follows that it will normally be unnecessary to allocate special intelligence officers in sub-commissions.

5. DUTIES OF COMMISSION INTELLIGENCE COMMITTEE.

This committee will be responsible for:

- (a) Collation of information received from sub-commission.
- (b) Provision of collated information to sections, sub-commissions, staffs and committees of the Allied Commission as required.
- (c) Provision of collated information to JIC (AF), as requested by latter.
- (d) Ensuring that the necessary records and statistics are maintained.
- (e) Receiving and dealing with questions asked by AFHQ or the JIC (AF).

6. The Commission Intelligence Committee will be composed in accordance with instructions issued by the Deputy President from time to time presided over by the Chief of Staff or one of his staff officers, and will have a secretary and assistants. Additional members may be added as required for special purposes. AFHQ will be represented on this Committee by representatives of JIC (AF).

7. DUTIES OF INTELLIGENCE STAFFS OF SECTIONS.

The intelligence staff of a section will:

- (a) Collate information collected by the sub-commission of that section.
- (b) provide collated information for the Commission Intelligence Committee.
- (c) deal with questions asked by the Commission Intelligence Committee.
- (d) from questionnaires for the sub-commissions of that section.

3. Whereas normally military intelligence has to be obtained from an enemy, in the case of the allied commission intelligence is gained from direct sources, i.e. from the ordinary work of sub-commission and from a co-belligerent and possibly co-operative nation. Thus information will be largely collected and collated in the normal course of work without necessitating setting up separate intelligence staffs.

4. It follows that it will normally be unnecessary to allocate special intelligence officers in sub-commissions.

5. DUTIES OF COMMISSION INTELLIGENCE COMMITTEE.

This committee will be responsible for:

- (a) Collation of information received from sub-commission.
- (b) Provision of collated information to sections, sub-commissions, staffs and committees of the Allied Commission as required.
- (c) Provision of collated information to JIC (AF), as requested by latter.
- (d) Ensuring that the necessary records and statistics are maintained.
- (e) Receiving and dealing with questions asked by AFHQ or the JIC (AF).

6. The Commission Intelligence Committee will be composed in accordance with instructions issued by the Deputy President from time to time presided over by the Chief of Staff or one of his staff officers, and will have a secretary and assistants. Additional members may be added as required for special purposes. AFHQ will be represented on this Committee by representatives of JIC (AF).

7. DUTIES OF INTELLIGENCE STAFFS OF SECTIONS.

The intelligence staff of a section will:

- (a) Collate information collected by the sub-commission of that section.
- (b) provide collated information for the Commission Intelligence Committee.
- (c) deal with questions asked by the Commission Intelligence Committee.
- (d) frame questionnaires for the sub-commissions of that section.
- (e) ensure that the necessary records and statistics are maintained in accordance with the instructions of the Commission Intelligence Committee.

2519
The Chief Intelligence Officer of each section will be ex officio a member of the Commission Intelligence Committee.

9. SECURITY

A small Security staff will work in the Headquarters Section, and be responsible for issuing the necessary Security orders for the Allied Commission and for Security work within the Commission.

10. The Principal Security Officer will maintain close touch with the Security organization at AFHQ, and will be an ex officio member of the Commission Intelligence Committee.

11. The Security orders for the Allied Commission will conform to the general security policy laid down by AFHQ.
