TO: Lieut. Col. Moss-Vernon

FROM: H.Q. Allied Commission

SUBJECT: Detachment, Allied Commission- Directive.

REFERENCE: AC/1017/2

DATE: 12 Oct. 43.

1. Ref. Planning Directive No. 11 (para. 8) and A.C. movement order No. 1 dated 12 Oct. 43 (copies herewith).

2. You are appointed to command the detachment, but your functions extend only to internal unit administrative matters, and to the local adm. of the Detachment and in liaison with the appropriate authorities at HQ, AMG. Your position is analogous to that of a Camp Comdt of a Corps HQ, on whose strength are borne a number of senior officers. The CR/EM in the detachment are under your command for all purposes.

3. You will apply to the AMG for the additional staff you require. This should include an American Officer to act as Detachment Executive.

BRITISH PERSONNEL

4. All British personnel are borne on the strength of the Allied Commission (War Establishment No. 47NA(17)) and are only attached to AMG. This HQ is therefore responsible for reporting casualties to GHQ 2nd Echelon.

5. You will therefore report to this HQ all casualties of any kind which require publication in Part II and Part III Orders, except in respect of such personnel as may, by due authority be transferred to AMG. You will report details of any such transfers to this HQ, and will insist, in so far as you are able, that a perfectly clear-cut distinction is made between personnel transferred and personnel remaining merely attached. The distinction is of very great importance, even though AMG will eventually merge into A.C., because for the moment two War Establishments are involved.

AMERICAN PERSONNEL

6. (a) All American personnel, officers and enlisted men, on arrival will be reported to the Officer commanding 2,675th Regiment, Allied Commission, (American Contingent) (Provisional) at H.Q., A.M.G. This American Regiment will include all American personnel in both A.M.G. and A.C. All reports and other administrative matters will be handled through that Headquarters.

2. BRITISH PERSONNEL

4. All British personnel are borne on the strength of the Allied Commission (War Establishment No. ~~1000~~ 1000/1000) and are only attached to AMG. This HQ is therefore responsible for reporting casualties to GHQ 2nd Echelon.

5. AMERICAN PERSONNEL

6. (a) All American personnel, officers and enlisted men, on arrival will be reported to the Officer commanding 2,676th Regiment, Allied Commission, (American Contingent) (Provisional) at H.Q., A.M.G. This American Regiment will include all American personnel in both A.M.G. and A.C. All reports and other administrative matters will be handled through that Headquarters.

(b) You will report weekly to this Headquarters, by name and rank any American personnel detached for any duty which would in fact appear to relieve them from assignment to the Allied Commission.

TO: Assistant Chief of Staff (Military) - Colonel Farran.
FROM: Labour Sub-Division A.C.
SUBJECT: Visit to Sicily.
REFERENCE: AC/1014/3.
DATE: 8 October 1943.

1. The officers in this Sub-Commission have studied all the documents available concerning Labour and find that while the description of the Fascist machine appears to be adequate no information is available on the conditions presently existing. Before any useful work can be performed it is considered necessary that examination be made in the Field and it is requested that arrangements be made for Lt. Col. J.R. Smith (A) and myself immediately to visit Sicily and, if necessary, Calabria and Puglia.
2. Lt. Col. Smith should join the advance^{party} but if necessary Captain Allbright could substitute until Lt. Col. Smith's return.
3. Before leaving my post in Malta it was arranged that I should return to hand over my department (of National Service) to my successor. It is suggested therefore that I return from Sicily via Malta and return here by the Malta - Tunis - Algiers service.
4. I am satisfied that Lt. Col. Smith and Captain Allbright are capable of acting on behalf of the Sub-Division in all respects.

J.T.R. BAIN,
(Colonel).
