FROM: J.C.S.
SUBJECT: Training of (General) Staff Officers
REFERENCE: AC 1111/1
DATE: 25 October 1943

Training of (General) Staff Officers

It is essential to get G-1 and G-4 work in AMG and AC carried out correctly. There are a number of officers assigned to G-1 and G-4 appointment who have had little experience in such matters.

Col. Dunlop on the British side and Col. Whitley on the American side will undertake instruction of such officers.

Addressees will forward to Col. Dunlop and Whitley a nominal roll of officers recommended for instruction, giving nature of appointments to which assigned. Further arrangements will be made direct by Col. Dunlop and Whitley, who will keep J.C.S. informed of progress and of any change in assignments which may be desirable as the result of studying officer's ability.
