SUBJECT:- Detachment, Allied Commission- Directive.

REFERENCE: AC/1017/2

DATE: 12 Oct. 43.

1. Ref. Planning Directive No.11 (para. 8) and A.C. movement order No.1 dated 12 Oct 43. (copies herewith).

2. You are appointed to command the detachment, but your functions extend only to internal unit administrative matters, and to the local adm. of the Detachment and in liaison with the appropriate authorities at HQ, AMG. Your position is analogous to that of a Camp Comdt. of a Corps HQ, on whose strength are borne a number of senior officers. The OR/EM in the detachment are under your command for all purposes.

3. You will apply to the AMG for the additional staff you require. This should include an American Officer to act as Detachment Executive.

BRITISH PERSONNEL.

4. All British personnel are borne on the strength of the Allied Commission (War Establishment No. NA/147/1.) and are only attached to AMG. This HQ is therefore responsible for reporting casualties to GHQ 2nd Echelon.

5. You will therefore report to this HQ all casualties of any kind which require publication in Part II and Part III Orders, except in respect of such personnel as may, by due authority be transferred to AMG. You will report details of any such transfers to this HQ, and will insist, in so far as you are able, that a perfectly clear-cut distinction is made between personnel transferred and personnel remaining merely attached. The distinction is of very great importance, even though AMG will eventually merge into A.C., because for the moment two War Establishments are involved.

AMERICAN PERSONNEL.

6. (a) All American personnel, officers and enlisted men, on arrival will be reported to the Officer commanding 2,675th Regiment, Allied Commission, (American Contingent) (Provisional) at HQ, AMG. This American Regiment will include all American personnel in both AMG and A.C. All reports and other administrative matters will be handled through that Headquarters.

(b) You will report weekly to this Headquarters.

Scope & Purpose.

(a) This Directive deals with the reorganization of the Planning Center, the mobilization and training of the Allied Commission, priorities as regards personnel and equipment, and miscellaneous matters. It affects both Regions and A.C.

(b) Recent decisions have rendered some of the instructions in the last three PDs out of date. This Directive contains certain specific amendments to PD No. 8 - any portions remaining unamended will be regarded as superseded where they conflict with this Directive, in the normal manner. This also applies to PD No. 10.

Organization - Holding Center, and Planning Center.

The structural organization & chain of command which will come into operation forthwith (subject to para. 12(a)(1) below) is shown in diagrammatic form at app. "A" hereto. The main features are as follows:-

(i) Two Joint Chiefs of Staff (JCS) are introduced directly under AFHQ. They will command the present School & Holding Center, the H.Q. of the Allied Commission (JACS) and a new organization to be known as the JMG Planning Section. (See (ii) below).

(ii) With effect from morning Saturday, 9 Oct. 43, a H.Q. to be known as the JMG Planning Section (JMG(P)) will be instituted, and will be borne on the strength of AMG, L. of C. (See para. 6). It will deal with all Regional questions at Bizzi-Cusani - i.e. all questions hitherto dealt with by JACS in so far as Regions, whether activated or not, are concerned, activated Regions will not, therefore, in the future, deal with JCS AFHQ direct, but, equally with non-activated Regions, will refer all questions to JMG Planning Staff - no longer to JACS. Para. 8(b) & (c) of PD No. 10 are therefore modified accordingly - such correspondence will be addressed to JMG Planning Section. This is therefore the last Official Directive which will be issued to Regions by A.C. Organization -

(a) A H.Q. AMG is being formed in Sicily, and will be directly under AFHQ (JCS). It will be known as "AMG, L. of C.". It will have under its command all Regions not under command AMG, 15 Army Group (See (b) below).

(2)

(b) A H.Q. AMG has been formed in Italy under command 15 Army Group. It will be known as "AMG, 15 Army Group", and will have under its command all Regions in Italy in the Army Group Combat Zone such as are not, by order of the C.-in-C., handed over to AMG, L. of C.

(c) The reason for the above organization is that the state of Italy, and in particular of its present Government render it impossible, for the present, for the Allied Commission to function for certain areas as hitherto contemplated. This will probably not be possible until the Italian Government is established in Rome. A.C. will then take over from AMG, L. of C., such Regions as are then under its control, & AMG, L. of C. will cease to exist.

7. Allied Commission - Organization.

(a) The Allied Commission is stationed for the time being at Tizi-Ouzou, and will be known as such. The abbreviation "AC", NOT "Rear AC" will therefore be used.

(b) (i) A.W/E (British) for "Amistice C.C." has been approved, the formation letter has been received, and copies are being issued to all concerned. This Establishment is somewhat out of date, being based on Paper No. 7 and the old Special Divisions. It will later be replaced by a W/E, embracing the whole of the Allied Commission. Meanwhile the existing W/E, will be worked to for the purposes of personnel & equipment. This means that A.C. is (on the British side only) a legal unit having a separate existence from the School & Holding Center. G-1 and H.Q. Comdt. will, from a date to be arranged with the Holding Center, undertake the reporting of casualties and all personnel matters in respect of personnel taken on the strength. (See paras. 16 & 17).

(ii) Developments on the American side are awaited and will be notified as soon as decided.

8. Allied Commission - Detachment.

(a) In order that officers of A.C. may obtain active experience in the field, it has been decided that a detachment of some 50 officers, nearly all from Sub-Commissions, will proceed to Sicily at an early date, when shipping is available. Officers to be detailed are the key personnel of Sub-Commissions, provided the total does not exceed about 50. At least one responsible officer from each Sub-Commission will remain as rear link. Further detailed orders regarding numbers to proceed will be issued.

(b) The detachment will be under the command of a British Detachment Commander (Lt. Col. Moss-Vernon, who is already in Sicily) and an American

(b) (i) A W/E (British) for "Armistice C.C." has been approved, the formation letter has been received, and copies are being issued to all concerned. This Establishment is somewhat out of date, being based on Paper No. 7 and the old Special Divisions. It will later be replaced by a W/E, embracing the whole of the Allied Commission. (ii) Developments on the American side are awaited and will be notified as soon as decided.

8. Allied Commission - Detachment.

(a) In order that officers of A.C. may obtain active experience in the field, it has been decided that a detachment of some 50 officers, nearly all from Sub-Commissions, will proceed to Sicily at an early date, when shipping is available. Officers to be detailed are the key personnel of Sub-Commissions, provided the total does not exceed about 50. At least one responsible officer from each Sub-Commission will remain as rear link. Further detailed orders regarding numbers to proceed will be issued.

(b) The detachment will be under the command of a British Detachment Commander (Lt. Col. Mess-Vernon, who is already in Sicily) and an American Detachment Executive (to be appointed) for the purposes of (c) below.

(c) The detachment will be under the Operational Command of H.Q. AMG, L. of C. for purposes of training & local administration only. For all purposes of internal unit administration it will remain under H.Q. A.C., with whom the Detachment Commander will correspond direct on such matters.

(d) H.Q. AMG, L. of C. may wish to arrange certain transfers of personnel. Any such transfers, and all casualties and matters affecting personnel in any way, will be reported to H.Q. A.C. by the O.C. Detachment.

9. AMG Planning Section - Organization.

Ref. para. 5(ii) above.

(a) The Section will consist of a Colonel, two G-1, two G-2, and two Liaison Officers. Initially the Staff will be provided from Officers at Tizi-Ouzou, but later by AMG, L. of C. Names are shown in App. "B", referred to in para. 11 below.

(3)

10. Chiefs of Staff Office - Organization.

Ref. para. 5 (i) above.

This will not be regarded as a separate office (see para. 11). One Personal Assistant (Lieut. Macnamara) is being provided. The Chiefs of Staff will take over Command with effect from morning 8 Oct.

11. Organization of the Staff (No. 3, para. 10).

(a) E & F, Comms, and AS Staff will resume separate operation, part 'D' of AC/1017/1 dated 4 Oct 43 having been cancelled under para. 3 (b) above.

(b) Sub-para. (b) and (c) of para. 10 of PD No. 9 are hereby cancelled. (See (c) and para. 12 below).

(c) App. "B" hereto gives the duties, in brief, of the A.M.C. Planning Section, and the G-1, G-2, G-4, AS, E & F, and Comms. branches of the A.C. Staff, and also the names of Officers at present holding appointments thereon. This replaces App. "E" to PD No. 8. All copies of the latter Appendix (other than file and War Diary copies) will be destroyed.

12. Office Organization.(a) AME (P)

(i) AMC (P) will function as a separate office, but will for the present use the existing Central Registry pool of clerks.

(ii) It will maintain its own separate files. Prefix will be AMC, and distinguishing nos. of files will start at 5,000. Suffixes for ref. Nos. of letters will be G-1, G-4, or P (Priority). AMC (P) will arrange for copies as necessary of letters from existing A.C. files.

(iii) Files may be minuted to A.C. branches or to Regions at Tizi - not to Regions at Churchill (This applies equally to AG files). Abbreviations already laid down will be used, prefixed by "AG" - e.g. "A.C. (G-1)".

(iv) The same office system as at present in vogue will be used.

(v) Services such as Library, Passes, Message Center, etc. will be provided by A.C. and will be available for AMC (P).

(b) JCS.

JCS will NOT function as a separate office, and files and papers

(iv) The same office system as at present in vogue will be used.

(v) Services such as Library, Passes, Message Center, etc. will be provided by A.C. and will be available for AMG (P).

(b) JCS.

JCS will NOT function as a separate office, and files and papers will in no case be referred to them directly. Any letters so addressed will be referred, in the file, to the appropriate branch, whether of A.C. or AMG (P), and JACS and A.C. of S. AMG (P) will deal personally with JCS, or send files to them with an explanatory note. The Comdt., School & Holding Center is requested to arrange a similar procedure so far as possible, as it is not practicable for JCS to maintain separate files, nor is it in the least necessary.

(c) Files will not be mounted or referred either to JCS or JACS (PD No. 8, para. 11 (c)) but to the appropriate branch of the Staff.

13. Displaced Persons and Internees Sub-Commission.

Staff, and also the names of Officers at present holding appointments thereon. This replaces App. "E" to PD No. 8.
