Further to my letter 15AG/7873/CA dated 30. Jul. 43.

The baggage referred to, together with the officers named, is being embarked to-day for ALEXANDRIA on "Evviva". It is understood that the delay was due solely to the non-arrival of this vessel and no alternative method of transport appeared likely to prove more expeditious.

Your telegram OET 86224 of 29 Jul arrived this morning.

I have sent an officer down to SOUSSE to see whether he can contact your officers there and make arrangements for the forwarding of baggage. I do not know how easy this will be as I think that any movement from SOUSSE at the present time seems to be extremely difficult.

Reference attached copy of Mideast Signal No. OMT/88224, will you please investigate the situation, do what you can to expedite shipment and repeat action taken to this H.Q. It is presumed that Capts. CHAMBERS and PERNEY are members of the party left behind to look after the baggage.

There are chances of my party getting off from here to-night or to-morrow but until my move is quite definite we cannot recall you from your outpost.
