Note for: G.S.O. I

1. I took up the question of a suitable address for AMCOT, firstly with Security, Lt.Col. Gibson, Lt.Col. Young, and subsequently with Col. Rowe. After some discussion it was eventually agreed the correct address for both official purposes and for private correspondence of officers and O.Rs was AMCOT, Force 141, and in the case of private correspondence for British personnel from England, B.N.A.F. area.
2. Col. Rowe is not himself in a position to give instructions to the postal authorities, but is taking the matter up with Q (Mint) (G-4), A.F.H.Q. who will issue an appropriate order of which you should receive a copy.
3. It was not considered that the use of AMCOT need be discontinued on security grounds, although it gives some indication of offensive intentions.
