SUBJECT:- Moves of Personnel.

SECRET.

141F/7853/CA.

2 June 43.

G.S.O.I.
AMGOT.

In reply to your letter numbered as above dated 1 June 43, the arrangements for Moves should, I think, be made on the following lines.

1. When personnel are to be moved it is assumed that you will instruct AMGOT Liaison to make the necessary arrangements. Your instructions should include information on the following points:-

- (a) Number of British Officers (with ranks).
- (b) Number of U.S. Officers (with ranks).
- (c) Number of British O.Ps (with ranks).
- (d) Number of U.S. E.N. (with ranks).
- (e) Weight of Baggage.
- (f) Name of officer nominated by you to be in charge of the party.
- (g) Full particulars of location of any of the party NOT at CHPRA.
- (h) Destination.
- (i) Date of departure from CHPRA or date of arrival at destination (whichever is fixed by you).
- (j) Method of travel (Air, road, rail or sea).

NOTE:- For air passages the names of officers are required.

2. All U.S. personnel (officers and E.N.) must take with them a travel order issued by an Adjutant or Adjutant General as authority for their move. As there is at present no such officer at AMGOT the travel order must be obtained from HQ Force 141 who require for this purpose a nominal roll (showing name, rank, and army serial number). It is most strongly urged that you send a U.S. officer to AMGOT Liaison to deal with H.Q. Force 141 over travel orders.

3. Acting on your instructions AMGOT Liaison will make

785015

- (a) Number of British Officers (with ranks).
- (b) Number of U.S. Officers (with ranks).
- (c) Number of British O.Ps (with ranks).
- (d) Number of U.S. E.M. (with ranks).
- (e) Weight of Baggage.
- (f) Name of officer nominated by you to be in charge of the party.
- (g) Full particulars of location of any of the party NOT at CHRTA.
- (h) Destination.
- (i) Date of departure from CHRTA or date of arrival at destination (whichever is fixed by you).
- (j) Method of travel (Air, road, rail or sea).

NOTE:- For air passages the names of officers are required.

2. All U.S. personnel (officers and E.M.) must take with them a travel order issued by an Adjutant or Adjutant General as authority for their move. As there is at present no such officer at ANGOT the travel order must be obtained from HQ Force 141 who require for this purpose a nominal roll (showing name, rank, and army serial number). It is most strongly urged that you send a U.S. officer to ANGOT Liaison to deal with H.Q. Force 141 over travel orders.

3. Acting on your instructions ANGOT Liaison will make application for the move to the appropriate branch of H.Q. Force 141 - for air passages to Q(Mov & Tn) and for road, rail, and sea moves to G(SD) by whom the application is forwarded to Q(Mov & Tn) A.F.H.Q.

4. Detailed Move Orders for all personnel (British and U.S.) are issued by Q(Mov & Tn) and will be received by ANGOT Liaison and forwarded to you. The point of departure selected by Q(Mov & Tn) will presumably normally be ALGIERS except in the case of rail moves WEST when it should be possible to use BLIDA station. It is assumed that you will be responsible for arranging moves from CHRTA to the point of departure.

5. As there are no facilities here for accommodating or feeding any personnel it is most important that they should not come to H.Q. Force 141 and every effort will be made to supply you with the complete move order issued by Q(Mov & Tn) before personnel leave CHRTA.

...6/...

6. If for any reason it is not possible to get the complete move order to you in time will you please ensure that only the officer in charge of the party reports to AMGOT Liaison. The remaining personnel should in this case report to No. 1 Transit Camp where they can be accommodated and rationed.

AMGOT,
FORCE 141,
FIELD.
WP/St.

W. H. Pearey,
Major,
AMGOT Liaison.

Rations for the journey will have to be drawn from Camp Commandant before departure from CHPPA and it is important that he should maintain a small stock for this purpose in a suitable form (British "Compo" and U.S. equivalent). For all moves other than local moves 7 days rations are required.
