23 Oct 43.

HQ AMGOT,
PALERMO.

1. Lt-Col TOWNSEND, Royal Army Veterinary Corps, has been ordered by AFHQ to purchase mules up to the number of 300 in SICILY, for army purposes. Col TOWNSEND is now at this HQ and is in touch with the necessary agents who assure him that there should be no difficulty in effecting these purchases in the hinterland. It should not be necessary to requisition.

2. In view of the very large number of mules in the Island, it is not thought that the purchase above the 300 will make the slightest difference to the economic situation.

3. I should be grateful if you would inform your CAOs in the Provinces of ENNA, and CALTANISSETTA that Col TOWNSEND will be in their Province in the near future.

ARGOT HQ CIVIL

4 September 1943

Subject: Inspection Trips

To : Heads of Divisions

1. S.C.A.C.s in several provinces have complained of the volume of inspection trips by officers from this HQ. In one province 13 officers and 2 civilians visited the S.C.A.C. within one week.

2. It is recognized that it is necessary in the initial stage for inspection trips. From now on the necessity for these trips should diminish.

3. The S.C.A.C. has directed that every effort be made by Division heads to keep the touring of the provinces to a minimum, both to avoid interruption in the work of the S.C.A.C.s and to prevent the heavy drain on R. transport which is involved.

12 AUG 43.

Complaints are being received that officers, both from H.A. and from within SICHY are touring the area and visiting local AMGOT H.Qs. for accommodation, without bringing with them bedding, mosquito nets, rations and drink.

AMGOT Civil Affairs Officers welcome visitors, but they are in certain instances being eaten and drunk out of hearth and home by them.

One Senior Civil Affairs Officer had in one week, three Generals, two full Colonels, and five other field officers to entertain.

It is requested that A.P.H.Q. and Seventh and Eighth Armies will issue such orders as they may consider necessary to ensure that officers requiring accommodation by AMGOT provide themselves with rations and other essential needs. Further A.P.H.Q. are requested to ensure that visitors to AMGOT from H.A. come under the same orders as all other visitors to SICHY, namely that they apply to AMGOT Main H.Qs. 15 Army Group for permission before leaving H.A.

On the way here from PALERMO I passed through Caltanissetta, Enna and other places where British AMGOT Officers asked me to pass on to you the following requests:-

- (a) Can they be supplied with forms for Air Mail Letters ? (This applies also to AMGOT officers at Palermo and Syracuse.)
- (b) When could they be supplied with ordinary rations ? Some of them have been living on "C" Rations or Compo Rations for 3 or 4 weeks.
- (c) The courier service between Palermo and Caltanissetta, Enna etc, has not yet working. When is it likely to begin ?
- (d) Lt-Col. Rodd, S.C.A.O. in Enna, asked that you would get for him a blanket authority enabling his AMGOT Officers to draw petrol from British D.I. De.

(a) and (b) doubtless apply to other Ranks as well.
Am returning to Palermo to-morrow morning.
