Col. E. E. Hume

6 October 3

1. Captain Graham has been asked by General McSherry to survey the Naples area for a temporary HQ and a staging area for AMGOT HQ and other personnel from the Military Government Section at Tizi Ouzou.

2. We thought it better to send Captain Graham forward than to ask one of your staff and take him from his other duties for this purpose. Will you give Captain Graham such help as you are able, including transport so that he will be able to make as rapid a survey as possible.
