It is not possible to grant promotions to officers even though such promotion has been promised in London, unless a vacancy on War Establishment exists. A strong recommendation will be made to obtain ante dates to new proposed War Establishments now being considered here. If we are successful it will be possible for you to make such adjustments as are necessary to obviate hardship to the officers concerned.

Subject : Major Ward Perkins.

1. In conversation, Maj. Gen. The Lord Rennell of Redd requested me to request you to follow up the telegrams sent to the War Office and the Middle East with respect to securing the services of Major Ward Perkins, formerly professor of Archaeology at the University of Malta and now in charge of Monuments in Tripolitania, as British Advisor on Fine Arts and Monuments. If a concrete answer one way or the other can be secured we can, if it is negative, proceed to secure some other officer as suggested in my memorandum to ~~xxxxx~~ Lt. Col. Spofford of two days ago.

SUBJECT: Appointments - Officers.

~~CONFIDENTIAL~~

AMMOR/240/113.

A. H. B.
15 Army Group,
O. H. F.

117575 Capt. G. H. JAMES, 15/18 H, has been acting as Staff Capt. "A" at this Headquarters since 22.11.43. He has in fact been assigned to the Legal Division in which there is now a shortage of Officers.

In order that this Officer may be relieved of his administrative duties, any replacement please be found for him. Such officer will be held on the War Establishment of this H.Q. as O.S.O.J. (Military Administration) but will in fact occupy himself entirely with "A" matters.

It is suggested that an officer in the North African Staff Officers Pool who has qualified at a Junior Staff Course and has been recommended for an appointment as Staff Captain "A" would be most suitable.

AMMOR, H.Q.
15 Army Group,
O. H. F.

 I feel you are the legitimate

not appear to have been
received too well. I
still think my original
ideas will be in
force however, in very
-quick time, for the whole
island. If assistance is
required at H.Q. in
"A" or "Q" I am sure, I
from past experience, I
-could help.

I am of course
most anxious to get
back to Refugee work
if and when a Division
is contemplated for Refugees.
but in the meantime "A" or "Q"
if possible.

CALTAGIRONE.

Yours sincerely
Matthews.

Lt. Col. Lord W. Scott,
A. M. S.,
15 Army Group.

1. I obtained your watch to-day and paid over the 600 francs. The watch is certainly going and I hope it will continue to do so.

2. There seems to be some trouble about Capt. Talbot of the Grenadier Guards and I shall be most grateful if you could help to clear it up. I understand that he was definitely posted to AMGOT by you. Two or three days later his Brigade Major saw me and stated that his Colonel, Colonel Colvin, wanted him as Company Commander at a Guards Reinforcement Depot. I pointed out that AMGOT were extremely short of personnel and that Talbot had had previous administrative experience, he was just the type of officer we were looking for. Subsequent to that, Colonel Colvin agreed that Talbot could be released to AMGOT but on hearing that a suitable officer who was to have taken his place at the Reinforcement Depot failed to arrive from England, he changed his mind.

3. The position is now that Talbot has been posted to AMGOT but is still being retained by his Regiment. Lord Rennell knows all about Talbot and I know wishes to retain him. As we do require Talbot, if you will agree I shall be most grateful if a further posting can be issued which leaves no reason to doubt that he is posted to AMGOT.

J. The position is now that Talbot has been posted to AIGOT but is still being retained by his Regiment. Lord Penneil knows all about Talbot and I know wishes to retain him. As we do require Talbot, if you will agree I shall be most grateful if a further posting/can be issued which leaves no reason to doubt that he is posted to AIGOT.
