Reference this Branch letter AI/4/221 dated 25. Aug. 43.

1. No. 6 Base Post Office telephoned today to say that they were in possession of certain AMGOT mail which had been re-addressed to Army Post Offices which were not in existence, i.e., certain mail has been re-addressed c/o A.P.O., MINA, RAGUSA, CORLEONE, CALTANISSETTA, PARTINICO, AGRIGENTO, TRAPANI.

2. The only static Army Post Offices now open are those mentioned in para. 1(a) of this Branch letter AI/4/221 dated 25. Aug.

3. Probably with the initiation of the AMGOT Courier Service there will be no difficulty in getting official mail and private letters about the island but the Army Postal authorities would appreciate it if AMGOT officers could be informed that the only static Post Offices functioning in the island at the moment are those mentioned in para. 1(a) of the letter under reference.

4. S.C.A.O's should contact the static Post Offices if in their districts, with a view to making arrangements for mail being collected.

Subject: Mail.

Headquarters,
AMGOT,
PALERMO.

1. The following is forwarded for information:

(a) Army Post Offices are open at the following places:-

CATANIA.
SYRACUSE.
AUGUSTA.
PACHINO.

(b) Army Post Offices will shortly be opened at:-

MESSINA.
PALERMO.

(c) Army Post Offices do not effect delivery of mail. AMGOT mail is delivered direct to 15 Army Group and is distributed from here.

2. A representative of the local Civil Affairs Branch should be authorised to contact these A.P.O's in case mail is delivered there.

3. It is most important to use only the abbreviations which are authorised by the Army, i.e., those in the F.S.P.B. and Amendments. For instance, AMGOT, have been using the abbreviation C.A.P.O. for Civil Affairs Police Officer, whereas those letters are in fact the official abbreviation for Canadian Army Post Office.

The full official title of the AMGOT officers must be written on envelopes otherwise delay is inevitable. 5751

Dear General,

Thank you for your letter of 8 August received at 2000 hours on 9th.

2. I am arranging for copies of political telegrams to and from A.P.H.Q. to go to G-in-C for information.
3. Three copies of telegrams for despatch should be sent here and the British signal form should be used.
4. A very considerable amount of official mail is coming into this office, a lot being inter-Provincial and communications between services (Postbase etc.) and the S.C.A.Cs.. It is being sorted out and delivered to the correct addresses. Private mail is also being sorted out and delivered to the best of our ability.
5. The H.Q. and transport should have arrived yesterday, but did not do so. Air raids at Augusta and here may have delayed them. Six planes out of twenty-six were shot down here last night - no damage to town or harbour. They appeared to concentrate more on this area.

6. 15 Army Group Rear is closing completely. Brigadier Doole and Lt. Col. Knox of Q (Maint) go back to help plan Avallanche.

7. 13 Corps are to push up the Corridor between Etna and the sea, 50 Div on right flank, with 5 Div protecting on left as far as there is room for them to go.

8. I hear the railway line from PALERMO to S. Stefano opens today. The line from Syracuse now runs just short of Catania. It will take about 10 days to repair the spans in Catania and get the line open through the city.

9. Major French seems to be doing well in Syracuse.

10. I visit Portofino and see either General Robertson or Col. Turner daily if I get the time.

Yours,

Richard Nixon

and the S.C.A.Os.. It is being sorted out and delivered to the best addresses. Private mail is also being sorted out and delivered to the best of our ability.

NO. 1

6 AUG 43.

C.S.O.
 AMOT H.Q.,
 PALERMO.

I arrived at 15 Army Group (Main) on 5th August 43.

2. The remainder of AMOT H.Q., approximately 13 Officers and 149 OR/EM, are leaving with the 3rd Echelon 15 Army Group and, I am informed today, should arrive here about 18 August. They will be sent on by road to PALERMO.

3. I understand that I am to remain at present at 15 Army Group (Main), as AMOT Liaison; and that all signals and correspondence arriving here for AMOT H.Q. are to be passed on to you, by signal or E.L.O., according to their priority and means available.

4. Arrangements have been made for all British personal mail as well as official mail to be sent to 15 Army Group (Main), see copy of correspondence attached. In order to save delay, they will, as far as possible, be distributed from here. Might I please have a location statement of British Officers and O.Rs. directly one is available.

5. The Chief Signal Officer has sent Capt. Trevelyan to me to-day. He is one of the Officers to investigate the re-opening of civil communications. I will send him to Palermo on 8 Aug. Lt. Col. Caledone is expected shortly.
