About the hours 16 of the 20th. of Sept. last, the Guard of P.S. Bessi Loris, in service to the vicinity of Corso Seina, noted that the Car with licence 9118 PA, coming from Piazza Politeama, direct towards the sea, was going on too fast.

Arriving at the height of Via Colleggio Di Maria al Borgo, it was stopped by the Agent, who asked driver's generalities. He refused himself, answering that he could have crossed any street, even those that were prohibited to other civil cars.

Seeing his rough way of speaking, the Guard invited him to wait until the coming of Brigadier, but he refused himself for the second time, trying to escape with his car. The Agent was constrained to get up on foot-stool with him, and car was brought to the Allied Command of Via Napoli, where driver talked to an American Officer. Guard was asked for his recognition tally, while he invited driver to let Officer understand that he had received strict orders, both from American Military Police and from Questore that no civil cars were allowed to travel around avoided places.

At this point the driver, addressing himself to the Agent said: "You talk of Questore; the Questore commanded some time ago, but know he can command..... get him to hell".

From ascertainments taken by this Office, results that driver was certain Cuccio Benedetto, resident in Via Belmonte Chiavelli No 5, who is interpreter in the Allied Command of Via Bari, from which results requisitioned the car in word, propriety of Palazzotto Vincenzo, resident in Piazza S. Spirito No 8.

Verso le ore 16 del 20 Settembre scorso, la Guardia di P.S. Bessi Loris, comandata di servizio di viabilità nel Corso Scimà, notava che l'automobile targa 9118 PA. proveniente da Piazza Politeama diretta verso il mare, teneva andatura molto veloce.-

Giunta all'altezza della Via Collegio di Maria al Borgo, veniva fermata dall'agente, il quale chiedeva le generalità al conducente, il quale si rifiutava recisamente, dicendo che poteva transitare per qualunque via, ancone in quelle proibite al transito delle macchine civili.-

Visto l'atteggiamento riottoso dell'autista, il Bessi lo invitava ad attendere l'arrivo del Brigadiere di controllo ma egli si rifiutava ancora una volta, mettendo la macchina in moto per allontanarsi, per cui l'agente si vide costretto a montare sul predellino. Il conducente portava la macchina fino al Comando Alleato di Via Napoli, dove parlava con un Ufficiale Americano, al quale, dietro sua richiesta, l'agente esibiva la tessera di riconoscimento, invitando il conducente a far comprendere al detto Ufficiale che egli aveva ricevuto precisi ordini sia dalla Polizia Militare Americana che dal Questore di non permettere il transito di macchine civili nelle zone vietate.-

A questo punto però l'autista, rivoltosi all'agente, esclamava: "Tu parli del Questore; il Questore una volta comandava, ora però non comanda un cazzo, mandalo al diavolo".-

Da accertamenti disposti da questo ufficio è risultato che il conducente predetto è tale Cuccio Benedetto, abitante in Via Belmon-

ducente, il quale si rifiutava recisamente, dicendo che poteva transitare per qualunque via, anche in quelle proibite al transito delle macchine civili.-

I have spoken to Capt. Morse about this. He strongly supports the decision that I had already come to namely that we must refuse. If we start making any more exceptions from the universal wage scales there is no knowing where it will end.

2. I am very sorry for Trepani but personally if I were S.C.R.O. here I would find ways of meeting this situation without going outside the wage scale.

SUBJECT: Wages for extra-qualified Interpreter.

TO : Chief Staff Officer, HQ. AMGOT, Palermo.

1. We have an employee here, Dr. Pace, an English teacher, who is extremely valuable, but declines to work longer at the rate of pay provided in the AMGOT "Bible" for interpreters or translators. He is an excellent court interpreter, and also the only person we have who can make precise written translation from English to Italian for proclamation purposes. He can earn more than the AMGOT wage scale by staying home and translating letters and documents for clients. His abilities are far above the average interpreter or translator, and we need his services badly for precise work in those fields. Also, as a professional man, he is obliged to maintain a higher standard of living than the ordinary interpreter. Permission is requested to pay him 175 Lire per day.

Dr. W. E. Scorsone, Via S. Pliva 6, concerning whom I have sent a note to Captain Kelt a week ago, has been employed by this office as a general assistant and translator-interpreter, subject to final approval by Public Safety. He started work on August 10, 1943, and has been most useful, being a Doctor of Medicine, as well as a teacher at the University. Both Colonel Crona and I would appreciate his being paid at the highest rate available for civilian employees and both of us feel that he deserves such treatment.

Subject: Engagement of Interpreters.

C.O.

Will you please say what is the correct procedure for the engagement of interpreters at Headquarters? At the moment we have two with this division but we require more and would like some direction in the matter.
