POS/545

1. Capt. Fraser called yesterday with a memorandum asking that a car should be given him from this Province.
2. I had already told him that I would be very happy to allow him the full use of a car at any time during any period he found it necessary to work in this Province, and would see that he was provided with transport to get him to either of the neighbouring Provinces.
3. I already provide what is in effect a shuttle service between here and Cassibile for H.Q. Officers and between here and the Amgot 8th Army H.Q., and this is frequently to the detriment of the work of this H.Q.
4. You will appreciate that it is difficult to do more, and that I cannot hand Capt. Fraser a car from my very small number, for his permanent use.
