Dear

Since you wrote your letter of 11th September, the
urgent requirements of Region 2 have forced me to take away
four of your specialist officers. 420

I fully sympathise with your difficulties and the
C.C.A.O. has given instructions that no C.A.O.s or C.A.P.O.s
are to be taken from you for the present.

Yours sincerely.

We had an urgent wire asking us to send John
officer to Region 2. We sent him and they instructed
a specialist officer from Catalonia so I do not propose
to take any further action on C.CAO's minute other than
to ask A.O. (Admin) to note of CAO's & CAPO's.

Dear

Spofford.

The latest circular from Major General Rennell makes it clear that further reductions are contemplated in the staff of this Province and I am therefore venturing to call your attention to the composition of our staff which is as follows:-

SPECIALISTS	9A	)	
(Legal, Medical,		)	
Welfare, Finance,		)	15
C.E.P. Supplies)	6B	)	
POLICE	2A	)	
	10B	)	12

C.A.Os.	2A	)	
	5B	)	7

TOTAL 35

H.Q.....21.

Provinces.....14.

From this you will see that if you regard the Police as specialists we have 27 specialists against 8 C.A.Os including myself. Of course in the country districts C.A.P.Os do C.A.Os work but even making allowances, the predominance of specialists over ordinary Civil Affairs Officers is very considerable.

Let us take the staff at this Headquarters. The C.A.Os are Capt. Thornitt-Smith (C.A.O. Catania City), Capt. Bateman and myself. Thornitt-Smith is inevitably out most of the time doing his municipal work. This leaves Bateman and myself to see ~~the~~ the incessant stream of military and other visitors.

Provinces.....14.

Let us take the staff at this Headquarters. The C.A.O.s are Capt. Thornitt-Smith (C.A.O. Catania City), Capt. Bateman and myself. Thornitt-Smith is inevitably out most of the time doing his municipal work. This leaves Bateman and myself to see ~~to~~ the incessant stream of military and other visitors. But the specialists number 15 apart from the Police and they are by no means overworked. The population of this province is 713,000. There is a C.A.O. for Catania City and 5 ~~other~~ districts containing a population of between 450-500,000. I cannot see how, if it is to be run at all, it can be run with a smaller staff. On the other hand, if reductions in staff ~~any~~ be made may I suggest that it is the specialists that could be cut down and not the Administrative side.

As regard Lord Rennell's contention that we are not using the Italian Officials sufficiently, I would point out that ~~the~~ greater part of our work here is concerned with the Army not with the Civil population. We have here, Fortbase under a Major General, a Base Sub Area under a Brigadier, 6 General Hospitals, 2 Air Headquarters and a Naval Headquarters besides all the Services of a large military base. ~~all~~ these Formations and Units come to us with their troubles and work o

P.T.O

P.T.O.

both the Supplies Officer and myself are chiefly concerned with satisfying them.

Please forgive me having written to you but the prospect of a further reduction of C.A.O. staff here is a very ~~disturbing~~ one.

Yours

Sincerely

J. H. H. H.

Gen. W. Sherry:

Am sending this informal note to request if possible (off the record) the replacement of Maj. W. V. Sanford assigned to the 9th Division as C.A.O. by some one who is a C.A.O. and who can cope with the situation. Sanford is a Doctor and is in the wrong spot at the present moment.

On the list of those to return is a Capt Fred Mavis who is not in this area. I saw Mavis in Palermo the last time I was there. We have a Capt. Mathis who is a C.A.O. in Whittella at the present time.

10th August 1943.

I am sending you the following Officers who will arrive tomorrow 11th August 1943 at about 0830 hours.

Major Holstrom
Capt. Bailey
Lieut. Clark

Italian speaking.

Non-Italian speaking.

2. These officers are loaned to you, but you can count on them for at least the next fortnight. They have come from M.E. where they have been through the school in Cairo.

3. I will send you by the 12th August two further officers

Capt. Buxton
Lieut. Campbell.

4. I am not very happy over the position in Adrano. I rather gather from Lieut. Malatesta who visited that Area today that this place wants reinforcing and supporting. There will possibly be a question of starting a refugee camp there. Will you look into this and reinforce Capt. Schanffler from the officers I send you or from your own resources, using the five I am sending you as replacements.

5. I will send Lieut Malatesta up to Andrano again in case he can be of help to you and he will come through Catania and give you his report.

From:- Lt. Col. Wellesley,

Province of Catania.

In view of the constant demands being made for officers to go into places which are now being taken by the Allies in this neighbourhood, I shall be glad if 4 officers can be sent here forthwith. I understand that 7 are allocated to me but in view of billeting difficulties I do not want more than 4 for the minute.
