Memorandum for: S.C.A.O., Siracusa

In accordance with your letter of Sept. 5 and your verbal message by Major Rowellerson, I have arranged with the D.P.S. that Capt. Rutherford remain on duty with you until a satisfactory officer can be found to relieve him.

Therefore, until further notice, you may continue to have the services of Capt. Rutherford.

Dear Colonel,

282/HQ

I've just had an instruction to release Capt. Ruthenford, but I do wish you would counsel this. We had so many officers go this last fortnight, over 20, without replacement that I am now on my "uppers" and frankly I can't spare Ruthenford.

You will remember the General gave me Tricketts as second 'k but when you took Petter, and Pollock, and Zervodachi to say nothing of Moody, I was obliged to make Tricketts into a C.O. and take Ruthenford as my second. He is doing a fine class job, and is an able fellow, whom I have been training up with a view to recommending him to take a district. If he goes I am

completely "bummed" in any official sense as to

would cancel this. I've had so many officers go this last fortnight, over 20, without replacement that I am now on my "upper" and frankly I can't spare Rutherford.

You will remember the General gave me

Trickett as second  $\frac{1}{2}$  but when you took

Pepper, and Pollock, and Zervodachi to say nothing of Moody, I was obliged to make Trickett into a C.O. and take Rutherford as my second. He is doing a fine class job, and is an able fellow, whom I have been

training up with a view to recommending him to take a district. If he goes I am

completely "stymied" in my official ~~idea~~ as to General Linde the other day that he might

shortly take Elmer I am extremely anxious

to retain Rutherford. May I therefore plead

(it's a strong word but I mean it) not to remove him, and leave me with a second in my office.

Yours sincerely, Atkins

REMARKS

*OK to assign

SUBJECT:- Amgot Officers.

POS/530.

H.Q., (Attention Col. Seitz)  
Amgot.  
Palermo.

Capt. Smith left yesterday for Catania, en route for Palermo, I believe.

He strikes me as an officer eminently suitable in personality to be a C.A.O.

I do not know what plans you have in mind for him, but if they are not too definite, and you can spare him, I should be happy for him to serve in this province as a C.A.O providing always of course that the C.C.A.O., agrees.

Would you mind giving the idea your consideration?
