PERSONNEL

HQs. AMGOT

In accordance with arrangements made by Lt. Col. Farley Smith, Major Giles of this HQs., during his visit to PALERMO on the 8th of September 1943. Agreed with the British and American Camp Comds. for the assignment of the following personnel.

6473407	Tpr. Thompson, J.	Recce Corps	to be Driver Mechanic at Prov.H.Q.
5830322	Pte. Buller, T.	E. Surrey	to be Learner Clerk at Prov.H.Q.
2990695	Pte. Macleachlan J.	A. & S. H.	to be Learner Clerk at Prov. H.Q.
51513321	Pte. Lewis De Brisco	U.S.Army	to be Learner Clerk

A Sgt. (British) was offered but declined as given some staff the U.S. Army Cpl. here is capable of taking charge.

It would be greatly appreciated, however, if the Sgt. could be assigned here to perform Q duties, e.g. control of transport, supplies, rations and accommodation under the supervision of my deputy.

OFFICE OF THE MILITARY GOVERNOR
PROVINCE OF CALTANISSETTA
CIVIL AFFAIRS

WR:VTS

August 7, 1943

Memo: To Major Giles

1. You are relieved this date from your duties as Deputy in the southern half of Caltanissetta Province. You are appointed as "Food Administrator" for this province with station at Caltanissetta.

2. You will work in conjunction with the Head of the Consorzio for this Province, and will visit the 22 Communes of the Province at least once monthly to see that the Consorzio System works smoothly and honestly. Among your duties are the following specific matters:

(1) You will examine into the honesty and efficiency of the Consorzio employees; you will have the power to remove all dishonest and inefficient employees, after consultation with the Head of the Consorzio and the Provincial Governor.

(2) You will be responsible that all grain is turned over to the Ammassi in accordance with General Order No. 3.

(3) You will see that the quality of bread issued to the people of this Province is "90 %" milling.

(4) You will list all flour mills in the Province, showing daily capacity and fuel used; in conjunction with Lt. Mann, you will see that fuel is supplied them and that they are operating.

(5) You will make a survey of the "communal ovens" of each commune to see they do not adulterate the wheat and cook properly the bread.

(6) You will check the "rationing" system in each commune to see that it functions properly.

(7) You will make such recommendations to us as will insure the most efficient working of food distribution in the Province.

(8) You will investigate the "Black Market"; and turn over any cases to the CAO concerned.

(9) In general, your duties are with the production and distribution of food in the Province.

4517

288/HQ

for this Province, and will visit the 22 Communes of the Province at least once monthly to see that the Censurio System works smoothly and honestly. Among your duties are the following specific matters:

- (1) You will examine into the honesty and efficiency of the Censurio employees; you will have the power to remove all dishonest and inefficient employees, after consultation with the Head of the Censurio and the Provincial Governor.
- (2) You will be responsible that all grain is turned over to the Amasasi in accordance with General Order No. 3.
- (3) You will see that the quality of bread issued to the people of this Province is 90% milling.
- (4) You will list all flour mills in the Province, showing daily capacity and fuel used; in conjunction with Lt. Maku, you will see that fuel is supplied them and that they are operating.
- (5) You will make a survey of the "communal ovens" of each commune to see they do not adulterate the wheat and cook properly the bread.
- (6) You will check the "rationing" system in each commune to see that it functions properly.
- (7) You will make such recommendations to me as will insure the most efficient working of food distribution in the Province.
- (8) You will investigate the "Black Market"; and turn over any cases to the CAO concerned.
- (9) In general, your duties are with the production and distribution of food in the Province.
