SUBJECT:- Air Travel.

I would draw your attention to Para. 15 of the Minutes of Meeting of the Eastern Sicily Resources Board held at this office on October 15th which runs as follows:-

"It was announced that in view of the increase of Air Travel from Catania, No. 1 District is establishing next week an Air Priority Board for the purpose of regulating air traffic to and from Catania. A representative from AMGOT would be invited to this Board which will meet daily. S.C.A.O. stated that he could not find personnel to attend the meetings of the Board. It was therefore requested that two days notice of AMGOT requirements be given."

It is therefore requested that the longest possible notice should be given of officers who come to Catania desiring Air Passages for places on the Mainland.

Reference your undated memorandum as to my failure to use booking on Flight No. 120, Algiers to Palermo, dated 19 September.

The circumstances are as follows:

I was informed that this flight had been diverted to Bizerte. Accordingly, I obtained passage on an operational aircraft to Tunis. I then obtained passage by courier onward to Palermo.

SUBJECT: Failure to use booking on Air Transport Service.

TO : Headquarters AFGOT, (U.S. Contingent) , 15 Army Group,
APO 777

1. Colonel C.M. Spofford, a member of your Command,
was booked for air passage from Algiers to Palermo, on
Flight No. 120, date 19/9, with a No. 2 priority rating and
failed to use same.

2. Because of urgent demands for Air Transport Service, it
is necessary that all space be utilized to capacity. This is impos-
sible if passengers booked do not appear in time to avail themselves
of the air transportation provided. Your cooperation in helping to
discontinue this practice will be appreciated.
