Sir,

I respectfully request, that you consider this, my application for a transfer to another branch of A.M.G.O.T., preferably Civil Affairs work.

I have been in the R.A.S.C. as a clerk since September 1939, and have held the rank of Sergeant since March 1941. I was for two years the accounting clerk in a Command Supply Depot in England, and for the remaining period of my service until joining A.M.G.O.T., was chief accounting clerk and deputy chief clerk with 8 Petrel Depot in the M.E.F., and for a period held the acting unpaid rank of Staff Sergeant.

I feel that in the work I am doing now, my time is being wasted, and my experience in Military Office routine as shown above, fits me for a more responsible position.

Trusting that this application will meet with your approval.

1. Your letter of the 21st October 1943 reference 401/HQ has just come to hand, and I note you suggest in your second paragraph that the above mentioned soldier should join the R.A.S.C. as a clerk.
2. It is pointed out however, that this man seems to possess a good knowledge of practical farming and agriculture, and enclosed is a further application from him to support this.
3. In view of the foregoing, is it still necessary for him to transfer to the R.A.S.C., or is there another avenue in which he can be transferred ?

AMGOT H.Q.,

5247835 C/Sgt. KEEN W. WORO.R.

I am writing to request your special consideration to the case of the a/n W.C.O.

2. He is serving with this H.Q. in the capacity of Chief Clerk, Region 2 and has previously been serving in this capacity under Group Captain C.E. Benson, AMGOT 8 Army, since 3rd June, 1943. During the whole of this time he has been in most trustworthy positions and has performed difficult tasks with efficiency and zeal.

3. It appears that through a combination of circumstances beyond his control it has not been possible as yet to classify him in the position which he deserves, in that he has not been mustered within the AMGOT War Establishment as a tradesman clerk with additional pay.

4. Since he has in fact performed the duties of a tradesman clerk since 3rd June, 1943 and was enlisted for such purpose at Civil Affairs Branch, G.H.Q., M.E.F., by Colonel Thorne - Thorne, it is felt that an injustice has been done. He has been informed that as he is not a R.A.S.C. clerk he cannot be included in the AMGOT War Establishment of clerks but this is inconsistent with the fact that he was specifically enlisted for clerical duties and it is therefore requested that his status be regularized as expeditiously as possible.

5. In addition to regularizing his past status so that he may receive additional pay as a tradesman clerk as from 3rd June, this W.C.O. has expressed a wish to be transferred to the R.A.S.C. as a clerk and in view of his qualifications for such a position the transfer is accordingly recommended.

6. This W.C.O. was promoted to his present rank on 25th September, 1939. He is in possession of the Army 1st and 2nd Class Certificates of Education, Certificate 'A' O.T.C. and was trade-tested as a Clerk, Group 2, Class 'C' at Civil Affairs, G.H.Q., M.E.F., on 11th May, 1943. He was educated at the Duke of York's R.M. School, Dover, from the age of 9 years to 18 years, joining the Army straight from school on the 17th August, 1928. His Regular service has been continuous except for a break of 3½ years on the Reserve from 1936 to 1939. Since the outbreak of this war he has re-engaged to complete 21 years Regular Service.
