To His Excellency The Governor of the Province of Caltanissetta

The undersigned Rissia Giuseppe son of the late Salvatore requests your Excellency that information be given me by said Province, because on the 9th of last month I have forwarded a direct request to the Head of Civil Affairs in Palermo. As however the above request was entrusted to said Province so that by its intermediary it arrive at destination, I do not know for effect if such request had exclusive possibilities to reach its destination.

The request was of utmost importance, it being a proposal of invention, which especially under present circumstances has great importance in the field of civilian economy; therefore to not delay to reach its ^{destination} ~~scope~~ in the shortest time possible, I prefer that instead, if your Excellency would interest himself directly, so that my proposal of invention documented with drawings and description, ^{with} the purpose to be submitted to an examining commission, at the purpose to obtain therefrom financial and technical assistance for the realization of my findings.

And with open heart and good hope I await favourable reception to my just request, thanking in advance and with perfect respect I remain your most devoted
