WJ

I suggest that remain in the Regiment where they would be more readily accessible to everybody who might need to refer them.

WJ

1. Herewith maps showing road classifications on the mainland of Italy as at 30 November.

2. It is proposed to issue these maps fortnightly or monthly, according to whether new information received justifies a new issue.

3. Please send to this office details of errors found in the maps. The difficulty of ensuring complete accuracy in the first edition of such maps will be understood, and it is only by general co-operation that accurate maps can be produced.
