Civil Affairs. The German C-in-C, Army Group Southwest, will furnish the following information to the A.C. of S., G-5, 15th Army Group immediately:

- (a). The location and quantity of civilian food reserves.
- (b). The location and quantity of transport available for civilian food distribution.
- (c). The existing plan for feeding the Italian civil populace to include the location of main civilian food distribution centers, the ration scale, etc.
- (d). A schedule of the source of all requisitioned livestock in possession of the German Army at time of surrender.
- (e). Complete information to include location concerning machinery, iron, steel and other commercial commodities which have been removed from public utility or private plants which have not passed into GERMANY.
- (f). Complete information as to all deposits of works of art, jewelry, bullion, specie, or other articles of value looted from ITALY or other countries, or acquired from any other source.
- (g). A statement of the rate of exchange between German and Italian currency.
- (h). A list of all officials purporting to act under the authority of the so-called Italian Republican Government, including the Chief of State, ministers and their principal assistants, Prefects, and/or officials performing any of the foregoing functions together with a statement of the location of their offices and all records.
- (i). A list of all German governmental, as distinguished from military, officials exercising authority in ITALY, within her 1939 frontier.
- (j). A list of all purported decrees of the so-called Fascist Republican Government.
- (k). A complete list of all diplomatic and consular personnel of all countries in the area of the German Army Group Southwest command together with their addresses.

(c). The existing plan for feeding the Italian civil populace to include the location of main civilian food distribution centers, the ration scale, etc.

(d). A schedule of the source of all requisitioned livestock in possession of the German Army at time of surrender.

(e). Complete information to include location concerning machinery, iron, steel and other commercial commodities which have been removed from public utility or private plants which have not passed into GERMANY.

(f). Complete information as to all deposits of works of art, jewelry, bullion, specie, or other articles of value looted from ITALY or other countries, or acquired from any other source.

(g). A statement of the rate of exchange between German and Italian currency.

(h). A list of all officials purporting to act under the authority of the so-called Italian Republican Government, including the Chief of State, ministers and their principal assistants, Prefects, and/or officials performing any of the foregoing functions together with a statement of the location of their offices and all records.

(i). A list of all German governmental, as distinguished from military, officials exercising authority in ITALY, within her 1939 frontier.

(j). A list of all purported decrees of the so-called Fascist Republican Government.

(k). A complete list of all diplomatic and consular personnel of all countries in the area of the German Army Group Southwest command together with their addresses.
