Col. Fiske:

Mr. Berger came in to bring attached papers. He also wished to speak to you and I made an appointment for him at 1600 hrs on Thursday.

He also asked about a Mr. Schroeder, a former member of the German Foreign Office. He understands that this man has been arrested and is being held in Bolzano. Mr. Berger does not know why he was in this area as his work was supposed to be in Berlin. He says he believes that he returned to this area about the middle of April.

Mr. Berger would like to get what information he can about the arrest and present whereabouts of Schroeder, if, as he asks "he is competent to ask such a question".

Col. McBratney wants the Prefect to go down to Rome about Thursday. I asked them to contact Col. Keller on passage for him on our courier plane and contact Air Subcom. for return passage. *ok*

-* * * * *

Col. McBride was up to say that Fifth Army has been raising the devil about messages bypassing them and going direct to Caserta or 15th Army Group. The latest is Caserta requesting four people from 5th Army and 5th Army wants to know how they got the names. *ok* All messages of an official character using the Liaison Group message system should be cleared with Col. Workman or Col. McBride before bypassing 5th Army.

Col. Fiske:

Col. McBratney called to say that the CIC has four German diplomats on their hands here in Bolzano. It is rather urgent that they be gotten out of here as "they are rather hot".

I told him you were awaiting instructions from 5 Army on disposal of remaining German diplomats but that I would have Col. Fiske get in touch with Col. McBratney on the matter.
