 To FATIMA BEAR for QUINSMITH T H I

30159 (.) FIRST (.) 3389 of 12 March crossed by 30/5/11 of 9 March informing you that demands for Italian Army Personnel are controlled by AAI to whom application should be made for inclusion in their priority list (.) Demands on Italian authorities direct are unprofitable (.) In fact that have outstanding demands for six thousand transport personnel so that drivers are very unlikely to be available for ACC (.) 33087 (.) HQ rpt HQ detachment of fifty drivers has been promised to HQ ACC (.) You have misunderstood a signal ordering fifty driver reinforcements to 1001 GTCoy as is explicitly stated in PLANBO 30439/21845 of 9 March quoted in your letter (.) THIRD (.) Advise FITCH strongly that he should not intervene in build up of 1001 GTCoy or he will weaken ACC case set forth in my AQ/5 of 9 March copy to him (.) Extra transport personnel for the build up can only be obtained at the expense of priority serials in the AAI programme
