"The trial of the Fascist plot of SASSARI headed by the general consul of the militia General MARTINI was ended at the Military Tribunal at ORISTANO.

The court, after having gone to CORSICA for questioning a witness, reopened the trial on November 12. The hearing of November 13 was entirely occupied by the accusation of the prosecutor, who asked for the main accused of the plot the following sentences: General MARTINI 30 years imprisonment: RAGIONERE PIRISINO and MR SABINO 28 years and 6 months imprisonment: Colonel PENSO and Mr CAU 18 years imprisonment.

The prosecution and the defense made their final speech.

General MARTINI made a final plea, in the end saying that he hoped the sentence would be such that would allow him to join his son in fighting against the Germans. The court withdrew to its chamber and after 5 hours of deliberation pronounced the following sentence: General MARTINI 14 years imprisonment: RAGIONERE PIRISINO 10 years

2nd. Despatches wheat dropped below acceptances 13 and 14 November due U K leave MOVE at short notice from ANCONA area. Rolling stock situation continually under observation and closest touch kept with MRS who is given earliest forecasts. ANCONA position now easier.

3rd. Bids submitted from ANCONA area have never exceeded 425 tpd. AC rep AAI states that MAX loading capacity of transport available this area 400 tpd.

4th. Bids accepted at AAI FOM for delivery 20/26 November totalled 765 tpd as follows. From CHIARAVALLE 135 CHIETO 30 FIUCLE 50 ALBINIA 150 CHIUSI 160 FOLIANO 100 PANICALE 60 ASSISI 100. Total 765. Increase to 900 tpd will be made by reducing lignite from SPOLETO by 175 and adding 173 wheat from SENIGALLIA. Total (from ?) north of NOME 938.

5th. Suggest you solve problem by routing ALEXANDER RAMSAY to CIVITAVECCHIA. Your FX 51474 of 11th November refers.

6th. Request future signals of similar matters first agreed MOV as comparison with FOM bids would have shown only 200 tpd accepted from ANCONA area. Also if MRS had taken action MOVE 900 tpd as requested the rolling stock position would have been disorganized. Agreed Q.

A. ITALY.

1. Battle front. On Adriatic sector no enemy Southwest believed forward of line UNITI DAXW MONTONE-COSINA rivers. Contact yesterday only with rearguards. Responsibilility for route 9 apparently taken over by 26 Panger Division. Latter's roundup with 278 infantry Division probably follows line of railway. In Central Sector identifications confirm arrival of remaining 42 Jaeger Divison and indicate complete withdrawal 362 Indian Division from line.

2. Northwest ITALY. No further evidence of move of either 5 mountain or 157 reserve Divison and now seems probable that movements previously reported concerned normal seasonal thinning out from mountain positions.

3. General. Enemy's reluctance to move any of his reserves from Central front to support of 76 Corps suggests it is prepared to continue policy of withdrawal on left flank and is conserving strength to meet expected resumption of major Allied thrust towards BOLOGNA.

G2 summary number 79.

A. ITALY.

1. Battle front. On Adriatic sector no enemy Southwest believed forward of line UNITI DAXW MONTONE-COSINA rivers. Contact yesterday only with rearguards. Responsiblility for route 9 apparently taken over by 26 Panzer Division. Latter's roundup with 278 infantry Division probably follows line of railway. In Central Sector identifications confirm arrival of remaining 42 Jaeger Divison and indicate complete withdrawal 362 Indian Division from line.

2. Northwest ITALY. No further evidence of move of either 5 mountain or 157 reserve Divison and now seems probable that movements previously reported concerned normal seasonal thinning out from mountain positions.

3. General. Enemy's reluctance to move any of his reserves from Central front to support of 76 Corps suggests it is prepared to continue policy of withdrawal on left flank and is conserving strength to meet expected resumption of major Allied thrust towards BOLOGNA.

B. BALKANS.

1. HUNGARY. JASZOROKSXALLAS in Russian hands fighting approaching HATVAN and MISKOLC.

2. YUGOSLAVIA AND ALBANIA. KAYANIK North of SKYPLJE, DURAZZO and TIRANA evacuated. Remnants enemy rearguard between ELBASAN 8105 TIRANA

A. ITALY. On 8 Army front enemy withdrew from CUUALE NUOVO night 13/14. New main defence line appears likely to be MONTONE River as far as bend at M3921, thence continuing southwest to hills south of Route 9. Identifications indicate reshuffle between 356 Inf Div and 26 Panzer-20 GAF Div Group now completed. According to a number of independent PW reports 162 Inf Div has been withdrawn completely. In view of low fighting value of Division after surrender on large proportion of its strength as replacements for 114 Jaeger Division this seems reasonable. Central Sector quiet. Lack of recent contact suggests both 362 and 90 PG Divs out of line and only 1 regiment of 4 Para Div forward. Northwest ITALY. Nothing to report.

B. BALKANS.1. YUGOSLAVIA. Capture CETINJE by partisans 13 November indicates enemy temporarily lost central road PODGORICA-MOTOR. Further attempts to clear the road are probable. Enemy forces moving northwards from DANILOVGRAD towards NIKSIC being engaged by partisans. SKOPLJE reported clear.

2. AEGEAN. Unconfirmed report states enemy considering attack on SYMI.

Winter increased coal consumption and weather lessening coal discharge at BAGNOLI coal pier, plus other reasons outlined in BFTPN 3218, 30999, 4 November, makes it necessary that PENBASE arrange to set aside a berth in the NAPLES port, of draft and with rail facilities that will enable a full Liberty ship to discharge coal directly to railway cars.

It is further requested that PENBASE arrange to equip this coal berth so that the maximum discharge rate may be obtained through use of ships gear and supplemented, as far as practicable, through use of crawler cranes.

Because of unlimited draft, this berth may be used for lightening ships to acceptable drafts for completion of discharge at CIVITAVECCHIA and LEGHORN ports
