A. ITALY.

1. No major change in forward positions. Enemy resistance continued to stiffen southwest FAENZA. Elements of both Regiments 90 PG Division identified in series of determined but unsuccessful counter attacks here. Continued movement southeast towards front indicates whole of division likely to arrive this sector.

2. PW 362 Infantry Division area L9233 confirms that division is relieving 29 PG Division.

3. Usually reliable source reports detachment of mountain division arrived CLRVIGNANO DI FRIULI H49 on 24 November. This possibly connected with 157 Mountain Division last reported moving east from MILAN.

B. BALKANS.

1. HUNGARY. North of BUDAPEST Russians captured BALASAGYAR-MAT on SLOVAK frontier and VAC on DANUBE bend. Further south Soviet troops advanced to line parallel with railway BUDAPEST - SZEKESFEHERVAR - LAKE BALATON and at one point said to have reached line connecting first two places.

2. YUGOSLAVIA.

formed substantial bridgehead over DANUBE in area south VUKOVAR. Enemy now falling back from line VUKOVAR - SID - DRINA mouth.

(B) 21 Corps evacuated DANILOVCRAD and continues operations along road to MATESEVO being only 5 miles south 9 December. Force moving south from BIJELOPOLJE now reached MOJKOVAC where bridge over TARA destroyed.

(C) Lieutenant General MUELLER former general officer commanding CRETE reported in command of formation area KRALJEVO at end November. This follows on previous report that he was commanding corps in YUGOSLAVIA. Probable therefore that corps consists three divisions moving north via XVORNIK, namely 7 SS and 104 JAEGER DIVS and possibly 11 GAF Division.
