G 2 summary number 118.

A. ITALY. Inactivity continues along whole front. Corpse in SS uniform area southeast FUSIGNAMO M 34 tentatively identified from document as 2 Bn 35 SS PGR. This following upon PW rumours of relief by SS troops and civilian reports to same effect provides very strong evidence for arrival of 16 SS PG Div. Not yet clear whether 114 Jaeger or 98 Inf Div is formation to be relieved. Both divisions weak and movement observed in both sectors. Quietness on western sector altogether with signs of slight pull back in SERCHIO Valley suggests enemy possibly having second thoughts. Ref G 2 summary 117 para A, area of 3 Mountain Battalion should have read northeast ITALY.

B. BALKANS. 1. HUNGARY. Fighting continues on west bank HIRON river and in BUDAPEST. Southeast of KOMAROM Russians reported reached TATA.

2. YUGOSLAVIA. MATESEVO reported captured by Partisans thus 21 Corps rearguards now presumably to north of town. All informed

ITALY.

No enemy activity reported today. Ground source states 26 Panzer Division now S NICOLO (MI971) south of FERRARA. PW from 114 Division stated unit expected to be relieved and had heard mention of SS troops. Do not on this evidence yet reject presence 16 SS Division in PARMA. This however proving prolific identification zone in view further ground source which places 34 Infantry Division there. Document shows Mountain LEHR Battalion MITTENWALD operating with 135 Fortress Brigade mid-December. 4 Mountain Battalion known also to be in western sector (lately relieved by 232 Fusilier Battalion). Do not therefore exclude possibility that MEERALPEN Regiment in general area SPEZIA though 3 Mountain Battalion credibly reported in north west. General appreciation enemy capabilities and intentions unchanged.

BALKANS

1. HUNGARY. Fighting reported in BUDAPEST where enemy surrounded. Russians succeeded in surrounding second force north of BUDAPEST inside Danube bend. Unconfirmed report dated 19 December showed 23 Panzer, 60 Panzer Grenadier, 8 and

Following is paraphrase of message from General SPOTFORD.

Begin paraphrase. In connection with the MACMILLAN plan civilianization of ALLIED COMMISSION is under consideration. Not yet agreed is clauses relating to subject which will be included in directive. As proposed by MACMILLAN WAR DEPARTMENT position is that its views will be met by withdrawal of Civil Affairs military personnel from Italian Government ITALY plus Civil Affairs officers at ALLIED COMMISSION not performing functions connected with Military Government activities. That status of Civil Affairs officers engaged in purely AGO activities, ALLIED COMMISSION can be given assurance will not be affected by program. Also not affected would be service subcommissions. G-2 summary number 116.

1. ITALY. Operations. Adriatic and central sectors unchanged. 356 INF DIV and left wing 278 INF DIV still offer still opposition forward of SENIO. In western sector attack in SERCHIO valley not resumed today.

2. DISPOSITIONS. 285 GREN REGT, previously in GENOA area identified west of SERCHIO. Civilian reports German unit in coastal sector has moved out. This presumably 281 GREN REGT and suggest whole of 148 INF DIV now assembled in SERCHIO valley. In support possibly 4 ALPINE EN and elements MONTE ROSA, ITALIA and SAN MARCO DIVISIONS. Bulk of ITALIA believed between PARMA and SPEZIA possibly en route to front but may be held back to safeguard road PARMA-SPEZIA. Latter alternative reasonable if 16 SS PG DIV is to be brought in. PW 4 para DIV taken in former sector 16 SS PG DIV states latter on relief was quotes "going west to attack". Accept 157 MOUNTAIN DIV probably area SPEZIA-SARZANA.

3. GENERAL. Enemy operations slow in developing and elan not yet clearly defined. If, as evidence on build-up implies, enemy intends major undertaking, consider likely that action in SERCHIO valley likely to be preliminary and of diversionary nature in attempt reaction and possibly draw off Allied forces from coastal sector.
