Your immediate signal JSC/176 of January 9th no time of origin delivered this SubCommission 1625 hours January 10th.

Presume it was written prior to discussion with Deputy A.O.C.-in-C. by telephone but not certain of this as no time of origin.

Agree channels proposed by you are essential to avoid untoward incidents and misuse of aircraft.

1 S.79 transport aircraft moved to CATANIA under orders of Chief of Staff Air Ministry without reference to Allies 1 other S.79 has returned ROME and a further one has proceeded CATANIA but only as transport for government officials.

These aircraft now under orders of Italian Air Force commander SICILY Colonel SPEDINI.

Orders were issued 1630 hours 9th January to Italian Air Ministry that no fighter aircraft were to be used in SICILY but that SM.79 aircraft could be used for the purpose of gaining information or supply dropping if required. Would point out A.O.C. BALKAN Air Force has not operational control of SM.79 squadron which comes under Italian Air Ministry through this SubCommission.

G-2 summary number 129.

A. ITALY. Enemy patrols active generally throughout front. No major activity. Documents dropped by party shot up area L9033 identify 305 party regiment. Party presumably an arty OP and suggests 305 INF DIV reentering line probably as relief to 362 INF DIV. If this is case recovery of 305 INF DIV has been comparatively rapid and argues enemy's replacement situation generally satisfactory. Surprising that fresher 157 MOUNTAIN DIVISION reliably reported in close reserve to BOLOGNA front has not been given opportunity for blooding in this relatively quiet sector. General appreciation enemy intentions unchanged.

B. BALKANS. YUGOSLAVIA.

(1) In SLOVENIA enemy columns reported moving out from NOVO MESTO GROSUPLJE and KOCEVJE presumably to carry out reprisals for Partisan attack on OBCHNA northwest of NOVO MESTO. (2) Headquarters 5 SS CORPS reported moving SARAJEVO-BROD on 5 January. Since Headquarters 21 CORPS was reported 1 January not far from SARAJEVO it appears likely that latter has taken over command from 5 SS CORPS.

(3) 845 GERMAN ARAB Battalion formerly in GREECE reported operating with units 104 JAEGER DIVISION Area TRAVNIK. All informed.

G-2 summary number 127.

A. ITALY.

1. OPERATIONS. Front generally quiet and no positional changes of note. Small enemy parties reported still south of RENO on ADRIATIC coast.

2. DISPOSITIONS. Further prisoners taken from 3 PN 740 GR (710 INF DIV) on RECCE Area M5354. State remainder of regiment along north shore lake COMACCHIO and between lake and PO river. 114 JAEGER DIVISION shows signs of restlessness indicating probable relief. No other changes evident in enemy lay-out on battle front. From ground reports believe 162 still general area PIACENZA and did not move northeast as suggested earlier. From statement of PW and ground sources place 157 MOUNTAIN DIVISION in area north of BOLOGNA.

3. Defences. Captured document dated 22 November shows defence line GENGIS KHAN under construction along river IDICE northwest of BUDRIO and noted as winter line. Defence works here confirmed by PR.

4. MISCELLANEOUS. Captured New Year message signed by KESSELRING stated " I am leading you in the battles of 1945"

5. Intentions. Enemy undoubtedly anxious generally about east flank and particularly sensitive to threat to FERRARA. Not yet clear what formation is to relieve 114 JAEGER DIVISION. Consider 710 INF DIV probably relieve

Of enemy's immediate reserves 157 MOUNTAIN DIV is freshest. Coastal terrain however unsuited for its employment. Possible therefore enemy may use it to release more suitable formations from other part of front.

B. BALKANS.

1. HUNGARY. Continuing his efforts to break through to BUDAPEST enemy has gained considerable amount of ground southeast KOMAROM. Russian forces obliged to evacuate ESZTERGOM and further south have retired as far as BICSKE. North of DANUBE Russian attacks reported from HRON bridgehead, these probably diversionary measure.

2. YUGOSLAVIA. 118 JAEGER DIVISION reported entraining VINKOVCI 30 December for GERMANY. While destination appears improbable, arrival of reinforcements from DRINA valley leaves no grounds why formation should not be withdrawn for employement elsewhere.

Enemy attempts to cross POSUT river may denote further efforts to regain defence line VUKOVAR-SID-DRINA mouth.

Rearguards 21 CORPS now reported north BRODAREVO. All informed.
