PBS-3515 Merchant Marine Ministry accommodation proposed in MEDBO letter to you dated 20 December conforms to my proposals agreed with Pettorelli Lalatta. As matter of principle General Robertson is averse to Italian Government offices in Naples but Rimondo Railways is already here and presumably Barons Shipping would be allowed here on MEDBO invitation. Accommodation in Naples would be more easily obtained by MEDBO than by us. Therefore I am leaving matter to MEDBO to arrange subject your concurrence with MEDBO proposal.
