WEEKLY SITREP NUMBER THREE

Political: Anti-monarcheal feelings reported strong in Region VIII (GROSETTO Province). In NAPLES Unione Femminile Italiana has been formed with the purpose of furthering the welfare and political rights of women. This is the first organisation of its kind in Italy.

Food and Supplies: In SICILY the sugar supply has now been distributed. Food and supplies generally in ROME are still causing anxiety. Coal is urgently required for paper mills and caustic soda for soap factory in FOGGIA. A shortage of naptha exists in GROSETTO Province and limits the threshing of wheat.

Crime: No important change. In SICILY police activity in connection with grain collection continues and there is some increase of serious crime.

Health: Smallpox epidemic in NAPLES area decreasing. Typhoid is now reported epidemic in BENNEVENTO City and there is also a sharp seasonal increase in SICILY together with typhus. In ROME the health standard is low due to malnutrition.

Refugees: No important change.

Grain Collection: 5,555,288 quintals to date.

Personnel: Region X is redesignated LIGURIA Region to administer Compartment of same name. Effective 4 Sep PIEMONTE Region is activated and Col. Robert P. MARSHALL assigned Regional Commissioner. Lt.Col.C.H.A.FRENCH is appointed Regional Commissioner Region V effective 4 Sep vice Col. MARSHALL.

WEEKLY SITREP NUMBER TWO FD PARTY TO MTOA FOR CHURCH FIVE FROM ACC HQ FAIRMI

Food & Supplies: There is no change in the situation which is generally satisfactory except for ROME. Everything possible is being done to increase RMAM's supplies and it is hoped that the situation will shortly be materially improved; paste ration to be considered pending arrival of potatoes.

Crime: No important change. Approximately 10,000 persons now denounced for violations of grain laws in Sicily and 22,000 quintals grain have been confiscated. 11 road blocks are being operated in the Province of AQUILA to check black market in potatoes.

Health: No further developments in outbreak of typhoid. Smallpox continues to abate.

Refugees: The situation reported last week is now under control. ROME is becoming very crowded.

Personnel: The following Regional Commissioners and Acting Regional Commissioners appointed: Region X - Lt.Col. C. G. PEASE; Region XI - Col. A. N. HANCOCK; Region XII - Brig. J. K. DUNLOP; Col.C. A. TEMPERLEY - Southern Region.

General Comments: Southern Region comprising Regions II, III and VII came into operation on 28th August. 100 bridges have now been built in CAMPOBASSO Province under the supervision of AMG. Civilian postal service operates AQUILA, ASCOLI, CHIETI, PESCARA and PERAMA.

Gas service of 1½ hours daily has commenced in ROME bringing favourable press comment. Little to report from Armies.

Latest FLORENCE sitrep sent to you on 26 August. No change reported by Fifth Army AMG. The situation at LIVORNO is still unsatisfactory from AMG point of view owing to military restrictions preventing the reoccupation of a large part of the city.

Grain collection 4,537,434 quintals total todate. FOGGIA Province has collected 1,200,000 quintals of this total which is the full quota for export and estimates another 200,000 quintals.

Economic Section Press Conference held 29 Aug which received local publicity.
