WEEKLY SUMMARY M.-33.

**Politicals.** Press supports Government's mobilisation decree but appeals for abolition of armistice terms and Allied status. Council meeting (18 Jan) adopted measures in favour of soldiers and their families, partisans being included in subsidy allotments. DE GASPERI reported C.L.N. message urging formation of really National Italian Army had been transmitted to United Nation's leaders.

DE GASPERI announced recognition of Chiang King Government and abolition of VICHY accord of 1940 looking instead to "friendly collaboration" with BALKAN-DANUBE States.

TARCHIANI (Action Party) appointed Ambassador to Washington (18 Jan). BONOMI (Action Party) appointed Secretary of Commissariat for Sanctions Against Fascism.

BARI Zone. Short strikes [illegible] and MILAZZO shipyards settled. Compromise reached in ROME between Government and delegation government employees from BARI, has reserved possibility serious strike. Sporadic student protest against army call-up and non-publication of armistice terms

indicating potential trouble probably due outside subversive elements.

NAPLES-CARAFFO. Similar protests university students but no incidents reported.

CAGLIARI, Sardinia coal strike settled (17 Jan). Strike condemned by all parties.
