WEEKLY SITREP NO. 35.Political:

National Council of Communist Party on 10 April approved resolution calling for national assembly of G.L.N. as soon as possible and early administrative elections.

Messages sent from Iacomettante and DE GASPERI to American nation and mourning decreed in ROME for death of President ROOSEVELT. (13 April).

Council of Ministers met (17 April) and named General Claudio TREZZANI Chief of Staff, approved draft decree for institution of Defense Committee, expressed gratitude to ARGENTINA for wheat offered. DE GASPERI told Council Italian-Yugoslav questions cannot be settled while partisans of both countries are still fighting the Germans; he hoped relations between the two countries would be put on a level "higher than press polemics". Council then declared its desire of establishing good neighbour relationship with JUGOSLAVIA.
