WEEKLY SITREP NO.36.

Political: Council of Ministers (18 April) approved regulations for repression of Fascist activities, including setting up of special Assise Courts in the North. On 20 April DE GASPERI reported to Council on condition of Italian soldiers in the BALKANS, and said that he would request Allied Governments to change the status of Italian prisoners of war in Allied countries. At this meeting further plans for the Consultative Assembly were discussed though final version is not yet published. Representation to be given to parties outside the C.L.N.
