WEEKLY SITREP NO.57.

Political: Council meeting (26 April) final decisions on formation of Consultative Assembly: all parties of importance will be represented as well as trade unions, farmers, veterans and free professions. At this meeting BONOMI read message of greeting and congratulation to Allied Armies and patriots, DE GASPERI read note which is to be sent to SAN FRANCISCO expressing ITALY's disappointment at being excluded.

Prominence of patriot activity and organisation and energy shown in liberation of leading northern cities, preservation of industrial plants and summary trial and execution of MUSSOLINI and other Fascists called forth message from Council (27 April) congratulating Northern Patriots and promising to do all possible to meet requirements and aspirations of the North. A public meeting organised by C.L.N. parties (29 April) was anti-monarchist in tone and indicated desire for change of government. Communists and Socialists made joint May Day statement asking for three point programme: proclamation of Republic, socialisation of great monopolistic industries and agrarian reform.

C.L.N.A.I./.....

Declassified E.O. 12356 Section 3.3/NND No. 785015

C.L.N.A.I. directed Patriots' activities and trials of Fascists until 29 April when Prefect of MILAN decreed all activity must be postponed awaiting AMG administration.

Food & Supplies; Public Health: See signals 6554 of 30 Apr and 6621 of 1 May.

All information received from the North so far indicates that health conditions are good, water supplies are intact, hospitals are largely undamaged, essential services are operating and that the danger of any widespread outbreak of infectious disease is remote.

Personnel: No personnal changes.

Wheat Collection: Total wheat amassed to 2 May - 11,387,440 quintals.

Olive Oil Collection: Total olive oil amassed to 2 May - 463,159 quintals.

AGF FIFTH and EIGHTH Armies: Refer to special sitreps.

General Remarks: Special decree published for the creation of popular courts for the trial of collaborators with the Germans.

Implementation order has been published notifying the establishment of the economic line.

A very large number of Patriots have passed through the lines into AMG territory, but the liberation of territory has already enabled many Patriots on this side of the line to return to their homes, and many more will be able to do so as soon as the Army restrictions on movement are lifted. Large parades for disarming of, and presentation of certificates to, Patriots are being organised, some of which have been extremely successful.

Reports of Italian Units in EIGHTH Army area state morale high and all combat groups doing well.

The first..... 9957

Declassified E.O. 12356 Section 3.3/NND No. 785015

The first civil external air-mail service from ITALY was opened with the commencement of the TRIPOLITANIA service on 23 April.

The latest figures of the production of Cusirini Cantoni Coats, LUCCA, are as follows: 1,350 Kgs of sewing thread per day which might shortly be increased to 2,000 Kgs by working three shifts.

On 25 April, Rosa Tascolana plant (MONTECATINI) resumed the manufacture of sulphuric acid.

Report on condition of monuments in BOLOGNA, MODENA and FERRARA received. No damage to REGGIO EMILIA. At PARMA, S. Teresa and the Palazzo Pilotta the chief damage. All the Correggio & frescoes are intact. Deposits located in TIBUL, where most of art objects removed from FLORENCE have been sent. Precious GUERCINO painting "Guardian Angel", mentioned in Browning poem, found safe at FANO. CARACCIOLI's "Martyrdom of St. Lucy", in same church, seriously damaged by falling among ruins.

IN THE EVENT OF VE DAY BEFORE MY RETURN.....

ON THIS MEMORABLE DAY ANOTHER PHASE OF THIS GLOBAL WAR HAS BEEN SUCCESSFULLY CONCLUDED.
