between North and South, postponed publication of decree on ranks for further examination.

Agreement on details of accord on VENEZIA GIULIA signed (20 June) by Allied and Yugoslav Chiefs of Staff. General strike in TRIESTE lasted one day (25 June) no incidents.

Press comment during week has been favorable to PARRI and new government; critical of terms of agreement on VENEZIA GIULIA.

Public Safety: The increase of Carabinieri strength to 65,000, to be fed and clothed from British sources, will enable twelve mobile battalions of Carabinieri to be formed.

Public Health: Three cases of typhus were reported on 18 June to have occurred at CRESPINA in PISA Province, TOSCANA Region. The entire commune consisting of three thousand people is being dusted.

Refugees: During the week 11,080 refugees were repatriated. 18,559 refugees arrived in ROME from the North. Arrangements are completed for sending 600 Greeks to GREECE from BARI by air in batches of 100 a day commencing 25 June.

Wheat Collection: Wheat assessed to 26 June totalled - 11,784,553 quintals.

Olive Oil Collection: Figures Not at present available, to be submitted next week.

Army Affairs: See special sitrep.

General Economic: Statement on price policies for imported agricultural supplies in North ITALY has been published. Wheat production estimates for 1945 harvest indicate a reduction of two million tons from last year's crop, partly due to drought.

The High Commissioner of Alimentation has begun negotiations with the Turkish Government to resume fresh fish imports into ITALY. 1319 Pre-war imports from TURKEY totalled 10,000 tons a year.

The distribution of tyres and tubes has been delegated to the Italian Government. In June an allocation of 1,000 truck tyres, 1,000 truck tubes, 750 automobile tyres and 750 automobile tubes were released to the Italian Ministry of Industry, Commerce and Labour.

Cement production totalled 2,238 tons, a decrease of 1,630 tons on last week. SICIGALLIA plant has gone into production.

The Port of GENOA will be closed indefinitely to Liberty ships due to continued presence of mines. Explosion of a mine-sweeper resulted in the loss of 51 lives.

The University of MESSINA was formally opened 18 June.

W.e.f. 1 July Italian PW will be released from PW status.

D Newell
for Brigadier,
