WEEKLY ATTSU NO.10.

Political: Conversations have continued throughout the week in MILAN between CLNAI, Central CLN and members of Government. CLNAI asked for convention of Constituente within six months (16 May). Socialists asked BONOMI to keep "formal promise" to resign on completion of liberation (17 May). CLNAI (18 May) asked that the new Government be appointed by Central CLN, that CLNAI be given the free representation which it deserves, that Italian legislation be integrated with CLNAI legislation, that the Volontari della Liberta be allowed to enter the Regular Army and the police force, that the new Government takes immediate measures for the institution of a temporary representative assembly to study the electoral law of the Constituente, that the President of the Council and others in new Government guarantee the application of above principles.

Field Marshal ALEXANDER's message on VENEZIA GIULIA applauded by all parties particularly since it stresses the principle involved. Considerable attention given also to situation in PIEDMONT.

Food & Supplies/.....

Declassified E.O. 12356 Section 3.3/NND No. 785015

Bands in/.....

Declassified E.O. 12356 Section 3.3/NND No. 785015

Roads in Northern ITALY are in good condition and no serious difficulties are anticipated in completing repairs. There is an ample supply of electricity and every effort is being made to repair transmission systems in the BOLOGNA area in order that surplus energy from the North may be transmitted to Central and Southern ITALY.

Prefects for six Provinces in VENETIE Region have been appointed; each appointee was the candidate proposed by the C.N. The political parties of these Prefects are as follows: 2 Christian Democrats, 2 Action Party, 1 Liberal and 1 not named.

Damage to monuments in GENOA extensive and often severe. TURIN - badly damaged. Large loss of books at University Library. VERVICO - monuments suffered badly.
