WEEKLY SITREP NO. 42.

Political: Developments in government crisis; differences between Liberals and Leftist Parties over functions of CLNs have been removed and six party agreement (issued 3 June) rules provincial and communal CLNs should have advisory functions until after elections; subordinate CLNs should be reduced to their exclusively political character. Proposed Government programme published 5 June being fusion of this agreement and MILAN agreement. Article in POPOLO (3 June) advanced candidacy of Christian Democrats for leadership in new government. Leftist parties consider this an attempt to "torpedo" the six party accord. NENNI had conference in NAPLES with CROCE (3 June), interpreted as indication of Liberal willingness to accept him as President of Council. Labour Democrats were reported (5 June) favouring Socialist candidacy. BONOMI wrote letter to party leaders pointing out that there had been time enough for consultation and government business was waiting on solution. Present position is Communists, Socialists, Action Party and Labour Democrats willing to accept NENNI, Christian Democrats reluctant and Liberal position not entirely clear. General situation still

DE GASPERI gave interview to French paper 'COMBAT' (31 May); expressed admiration for FRANCE and said that French should not confuse Italian people with MUSSOLINI. Stated that TRIESTE is for ITALY what STRASBOURG is for FRANCE.

Public Health: NAPLES smallpox returns in May against April showed City figures fell from 126 to 54 cases, Province from 148 to 133.

Public Safety: Nothing unusual to report.

Refugees: Commander in Chief Mediterranean authorised use of Italian cruiser and other smaller vessels for transporting over 3,000 refugees and displaced persons from Northern ITALY to SICILY and SARDINIA.

During the week, 11,876 Italians were repatriated to the South. 13,131 Italians reached ROME from the North. The total refugees and displaced persons moved by all means during May south of FORLI - FLORENCE - LEGHORN was 71,794 persons.

Personnel: Colonel W. E. B. BEURENS (B) appointed Director, Legal Sub-Commission and Chief Legal Advisor.

Lt. Col. Henry H. SCUDDER (A) appointed Director, Communications Sub-Commission.

Wheat Collection: Wheat amassed to 4 June totalled - 11,640,322 quintals.

Olive Oil Collection: Olive oil amassed to 31 May totalled - 503,190 quintals.

Army Area: See special sitreps.

General Remarks: It is estimated that wheat and small grain crop for 1945/46 will be 25 to 35% less than the good crop of last year, due to weather and war damage.

Fishing has been resumed both on the Adriatic and Tyrrhenian Coast although at VENICE there is still a ban on night fishing.

During the week authority was passed to the Italian Government to carry on direct trade negotiations with Allied and Neutral countries subject to certain financial and special commodity restrictions.

ORBETELLO (Montecatini Co.) started production of superphosphates on 8 May at the rate of 2,100 tons a month.

The decree enabling electoral lists to be compiled in Allied Military Government territory was passed and will shortly be implemented.

The Italian Government made substantial increases in the rates of bonus payable to Patriots. Associazione Nazionale Partigiani d'Italia has been recognized as the official Veterans Association of the Patriots. The clothing situation has been relieved by a substantial release of salvaged material with a total of 75,000 garments, 25,000 boots and 11,800 blankets. 47,882 Patriots were demobilised in Lombardia up to 26 May.
