WEEKLY SITREP NO. 43

Political : BONOMI cabinet resigned on 12 June formally opening crisis. Earlier in week (7 June) DE GASPERI had offered to share government with NENNI but latter refused. Break between Socialists-Communists on one hand and Christian Democrats on the other revived proposal of coalition government under some third personality, such as perhaps, BONOMI. Delegation of CLNAI arrived from North on 11 June, said BONOMI would be unacceptable. Initiative is now in the hands of Luogotenente. Press speculation sees following possibilities : 1. DE GASPERI-NENNI 2. Prominent figure outside parties (i.e. CROCE, NITTI, ORLANDO or DE NICOLA), 3. Northern figure, PARRI, Northern Action Party leader and prominent in Corpo Volontari della Liberta.

Allied-Jugoslav agreement called " a compromise which will not prejudice settlement at peace conference" by DE GASPERI (11 June). Press in general not satisfied pointing out TITO left with uncontrolled mastery of Eastern ISTRIA. Several papers say that ITALY not having been represented need not feel herself bound.

Reports of /.....

Declassified E.O. 12356 Section 3.3/NND No. 785015

Reports of French propaganda in VAL D'AOSTA and IMPERIA Province source of uneasy press comment. Five parties of PIEDMONTESE CLN have asked for regional autonomy of VAL D'AOSTA. Five parties of BOLZANO CLN signed agreement with the Suedtiroler Volkspartei for " the free and democratic development of political life of the area."

SERENI, President of LOMBARDIA CLN said Allied authorities have faced the Italian situation in a spirit of comprehension.

INS reports ITALY has asked officially to be admitted to SAN FRANCISCO (10 June). National Federation of Italian Press asked for complete freedom of press (9 June).

Public Safety: Restrictions on travel from ITALY to places abroad have been further relaxed. The prison situation in the North is extremely critical. Over 90% of the prisoners held are political.

40 Armoured vehicles have been reconditioned and sent North.

Refugees : During the week 6,173 Italian refugees were repatriated to the South. 11,653 reached ROME from the North.

Wheat Collection : Wheat amassed to 12 June totalled - 11,658,570 quintals.

Olive Oil Collection : Olive Oil amassed to 12 June totalled - 509,776 quintals.

Army Area : Nothing unusual to report.

General Remarks: The first consignment of 5,000 captured horses are now being driven, on the hoof from AUSTRIA, to EMILIA and TOSCANA Regions, where they will be lent to Farmers.

3457

Discussions have been commenced with the Italian Government on the subject of re-opening private trading with other countries.

Cement production for week totals 2,940 tons; increase of 213 tons from previous week.

Distribution/.....

0822

Declassified E.O. 12356 Section 3.3/NND No. 785015

Distribution of 10,000 KW of planned 100,000 KW has begun from North ITALY to Central ITALY, over rehabilitated transmission lines.

Visit of Lady BADEN-POWELL greatly stimulated the Girl Guide movement in ITALY. On 10 June a rally of 2,000 Guides and Scouts, both Catholic and non-denominational, was held in ROME. A decision was taken to form a Federation of Catholic Girl Guides and non-denominational Girl Guides patterned after the Federation of Catholic and non-denominational Boy Scouts.

Preparation of electoral lists having urgent attention.

In MILAN seven Patriot Centres are now operating. 4,077 out of a total of 4,334 patriots have dispersed. Disbandment of patriots not required operationally has been almost completed in the cities of VENICE, PADUA, ROVIGO, VICENZA and VERONA. All Patriot Centres in EMILIA with the exception of MODENA are being closed.

Ministerial archives removed to the North of ITALY by Germans are in good condition generally.

Allied Naval Commander-in-Chief, Mediterranean has agreed to the return of a portion of NAPLES harbour to Italian Government control.

Approximately 20,000 Italian ex-Prisoners of War from GERMANY, have passed through Transit Centres at FLORENCE and ROME. 867 ex-Prisoners of War were repatriated from FRANCE by air, and 886 from MARSEILLES by sea. 966 sick and wounded Italian Prisoners of War from INDIA arrived TARANTO. 152 have been repatriated from GREAT BRITAIN.

Radio telegraph service between ROME and MILAN for civilian use was authorised.
