1. Concern has been felt at H.Q. A.A.I. regarding the lack of enforcement of the Italian system of registration for persons staying at hotels and boarding houses.

2. The Minister of the Interior has now issued a directive to Prefetti on this subject and a translation is attached hereto for your information. Steps will be taken to ensure that the necessary action is taken by the Italian authorities in unoccupied territory, and in IGC territory a procedure similar to that outlined in the directive will be adopted.

3. HQ. A.A.I. have issued instructions to FBS/CIC personnel with regard to:

- (a) Periodical examination of Questori records with a view to noting new arrivals in the area and checking these against suspect or "black" lists.
- (b) Periodical checks at hotels and boarding houses to ensure that the regulations are being complied with.

MINISTER OF INTERIOR
P.S. DIRECTORY

N. 50134/10-A

Salerno, March 23, 1944.

SUBJECT: Provisions.

TO : All the Prefects of Salerno, Potenza, Matera, Taranto, Lecce, Brindisi, Bari, Cosenza, Catania, Reggio C., Catanzaro, Messina, Siracusa, Ragusa, Enna, Caltanissetta, Trapani, Palermo, Agrigento, Nuoro, Cagliari, Sassari. Allied Control Commission, Public Safety Sub-Com.

1. Owing to shortage of Hotel accommodations many civilians have taken upon themselves to let rooms without required police authorization, consequent to such illegal action the above fail to fulfil the prescribed regulations in connection with such activities, that is registration and notification of the persons lodged.

This failure hampers police activity in keeping track of persons dangerous to society and to public order. It is intention of this Ministry that this state of affairs cease as soon as possible.

Therefore, it is necessary that inquiries should be made in every locality in order to find out all those who give lodgings without permit, and compelled them to comply with the proper regulations, and supply themselves with the prescribed register and to notify in lawful terms the Public Safety Office the arrivals and the departure of the tenants.

In the same time, all the Hotel owners, in-keepers, owners of boarding houses, persons who let private rooms that are properly authorized, must comply strictly with the law and if they fail doing so they will be prosecuted by law, and their license revoked.

The same must be responsible of the notification sheets which must be written clearly and exactly, noting all the particulars from the identification cards of each transient.

All those who have no documents to show, must be brought to the police office or to the HQ of the proper branch of the Army, which will provide for their identification and will regulate themselves accordingly.

In regard to the above, we request you to notify through the Municipio and the CCRR that it is their interest to have their identity papers, in order to avoid consequent friction with the police.

"A loss of mail, due to circumstances over which no one had any control, occurred on or about 1 December 1943. A very substantial amount of mail was lost (amount not specified for security reasons). Of this mail, an appreciable amount was destined for personnel of this organization. The undersigned examined one package which was addressed to an Officer of this organization, and the condition of the package indicated quite clearly that the bulk of the packages could not be forwarded, and could only have been destroyed. Unfortunately, on virtually all of the mail and packages in question, the addresses were obliterated, so that the extent of the loss, and the addressees in question, can never be determined.
