SUBJECT : Curfew Passes.

TO : Adjutant, HQ ACC.

1. Reference Para 7, Daily Bulletin No 185 dated 29 July 1944, and further to this office letter of even number dated 2 August, 1944.

2. Further thought has been given to the question of issue of permanent Curfew Passes. It is considered that as all Officers on the strength of this Sub-Commission are specialists, their opinions on urgent questions arising after curfew hours may, from time to time, be required by the Joint Directors. In the same way, their specialized knowledge in the various aspects of insurance, banking, accounting etc. problems may necessitate their presence at conferences held with Ministry of Finance and Treasury and other Italian Officials at emergency meetings.

3. It is therefore requested that further permanent curfew passes be issued to Officers nominated on the attached list.

4. Also included in attached list is St. Sgt. Packham Assistant Chief Clerk of the Sub-Commission whose functions may, on occasion necessitate his return to the office after curfew hours.

1. Reference para 7 of Daily Bulletin No 185 dated 29 Jul 44.

2. For the proper performance of their duties the Italian Branch of this Sub-Commission finds it necessary to be able to visit the various services of the Italian Ministry of Justice and other departments of government at all times.

3. The Chief Judicial Officer is responsible for AMG Courts throughout AMG territory and also of any special courts which may be convened in Italian Government territory and it may well be work in this connection may involve travel after curfew hours both for the CJO and the Chief Counsel and his staff.

4. In the case of the Chief Legal Officer it is essential that he have equal freedom of movement for consultation or otherwise with his staff. Much work is done in conference after dinner with the CJO who is living at a different hotel from the other officers of this Sub-Commission. These conferences rarely commence before 2000 hours and continue until very late.

5. For the above reasons it is requested that all the officers of this Sub-Commission as listed below be granted curfew passes.
